# 160th Annual Convention

## Journal of Proceedings

CHURCH OF THE HOLY TRINITY, PHILADELPHIA
MONDAY, MAY 1, 1944, 5 P. M.

The One Hundred and Sixtieth Annual Convention of the Protestant Episcopal Church in the Diocese of Pennsylvania assembled as above in accordance with the Resolution of the Last Convention.

The Bishop of the Diocese called the Convention to order and opened the Session with Prayer.

A Quorum being present, the Rev. Charles H. Long was duly elected Secretary and the Rev. John R. Huggins appointed Assistant Secretary of the Convention.

The Rev. James M. Niblo presented the REPORT OF THE COMMITTEE ON THE DISPATCH OF BUSINESS which was adopted:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by Title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5.30 P. M. on Tuesday, May 2, 1944, a Recess shall be taken at that hour until 7.45 P. M. Should further time be required, Convention shall meet again on Wednesday, May 3, 1944, at 9.30 A. M.

The Rev. Albert F. Fischer, Jr., presented the REPORT OF THE COMMITTEE ON ARRANGEMENTS which was adopted.

The Secretary read the Canon of Courtesy, as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates for Holy Orders in this Church, Wardens of Missions

other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

The Secretary reported as follows:

That during the past year he has fulfilled his duties as prescribed by the Constitution and Canons so far as possible.

That under date of March 1st he sent out the Calls and other Documents for the Annual Convention.

That Parochial Reports were mailed December 28th, and that on February 1st, when these reports were due, very few out of the 224 due had been rectived. The Secretary would again stress the necessity for making full returns on the Annual Report blank since these figures are required for the Report to the General Convention.

That boxes for the Registration of the Clerical and Lay Deputies have been placed in the vestibules of the Church and all Deputies should register at once.

That the following is the Unfinished Business from the Annual Convention of 1943:

(1) Report of the Committee on Clergy Placement.

(3) Report of Committee on the Relation of Convention to the Diocese.

(1) Amend Article X of the Constitution as follows:

Strike out, in lines 16 and 17, the words: "within the boundaries of the United States of America"; and in lines 26 and 27 the words: "within the boundaries of the United States."

(2) Amend the first sentence of Article I, Sec. 3, so that the same will read as follows:

"At the General Convention next before the expiration of the term of office of the Presiding Bishop, it shall elect the Presiding Bishop of the Church."

(3) Amend Article I, Sec. 2, of the Constitution, so that it will read as follows:

"Sec. 2. Every Bishop of this Church having jurisdiction, every Bishop Coadjutor, every Suffragan Bishop, and every Bishop who

under an election to an office created by the General Convention has resigned his jurisdiction, shall have a seat and vote in the House of Bishops. Every Bishop who by reason of advanced age or bodily infirmity has resigned his jurisdiction shall have a seat without vote in the House of Bishops. A majority of all Bishops entitled to vote, exclusive of Foreign Missionary Bishops, shall be necessary to constitute a quorum for the transaction of business."

And amend Article X of the Constitution by striking out the words: "excluding retired Bishops not present."

And amend Article XI of the Constitution by striking out the words: "excluding retired Bishops not present."

(4) Amend third paragraph of Article VIII of the Constitution so that the paragraph shall read as follows:

"If any Bishop ordains a priest or deacon to minister elsewhere than in this Church, or confers ordination as priest or deacon upon a Christian minister who has not received Episcopal ordination, he shall do so only in accordance with such provisions as shall be set forth in the Canons of this Church."

Amend Article VIII so that the article shall read as follows:

"No person shall be ordered Priest or Deacon to minister in this Church until he shall have been examined by the Bishop and two Priests and shall have exhibited such testimonials and other requisites as the Canons in that case provided may direct. No persons shall be ordained and consecrated Bishop, or ordered Priest or Deacon to minister in this Church, unless at the time, in the presence of the ordaining Bishop or Bishops, he shall subscribe and make the following declaration:

" 'I do believe the Holy Scriptures of the Old and New Testaments, to be the Word of God, and to contain all things necessary to salvation; and I do solemnly engage to conform to the Doctrine, Discipline, and Worship of the Protestant Episcopal Church in the United States of America.'

"Provided, however, that any person consecrated a Bishop to minister in any Diocese or Missionary District of an autonomous Church or Province of a Church in Communion with this Church may, instead of the foregoing Declaration, make the promises of Conformity required by the Church in which he is to minister.

"If any Bishop ordains a Priest or Deacon to minister elsewhere than in this Church, or confers ordination as Priest or Deacon upon a Christian minister who has not received Episcopal ordination, he shall do so only in accordance with such provisions as shall be set forth in the Canons of this Church.

"No person ordained by a foreign Bishop, or by a Bishop not in communion with this Church, shall be permitted to officiate as a Minister of this Church until he shall have complied with the Canon or Canons in that case provided and also shall have subscribed the aforesaid declaration."

The Rev. William H. Jefferys, Jr., presented the following Resolution, which on Motion was adopted:

WHEREAS, The existence of racial prejudice and discrimination in our own nation is in conflict with the will of God and cannot be reconciled with the teaching of Christ; and

WHEREAS, The Church must by its deeds and life proclaim with courage the Christian Way, or bear the guilt of cowardice and hypocrisy; be it

RESOLVED, That the Annual Convention of the Episcopal Church in the Diocese of Pennsylvania now assembled condemns the policy of racial segregation as undemocratic and unchristian; calls upon every parish and mission to wage relentless warfare against race prejudice within the Church; and urges every Diocesan institution to establish a definite program whereby its facilities will be made available to deserving members of every race, and whereby it seeks to include on its staff without discrimination competent physicians, nurses, social workers, teachers, and other professional workers whether of Negro or any other extraction.

The COMMITTEE ON CLAIMS OF CLERGY TO SEATS reported that no Claims had been received.

The Committee on Claims of Laity to Seats reported as to the claim of Deputies of St. Mary's, Philadelphia, and offered the following Resolution, which was adopted:

Your Committee having heard the evidence presented in support of those claiming to be entitled to seats in the Convention as delegates of St. Mary's Church, South Philadelphia, and that presented in opposition thereto by the Chapter of the Cathedral Church of Christ concludes that:

On the facts presented those claiming to be delegates of St. Mary's Church, South Philadelphia, should be denied seats in this Convention and recommends that the Convention so decide.

In stating this conclusion and recommendation the Committee does not presume to pass upon any other question whatsoever.

(Signed) John Lewis Evans, *Convener.*
T. B. K. Ringe.
Ernest Scott.

The Rev. Dr. F. C. Hartshorne offered as a substitute for the above the following resolution, which was lost on vote:

Resolved, That the Deputies from St. Mary's, Broad and South Streets, be seated, but that in taking this action the Convention expresses no opinion on the controversy between St. Mary's and the Cathedral Chapter.

The Committee on Claims of Laity to Seats reported as to the claim of the Deputies of St. James's Church, Philadelphia, which report was referred back to the Committee for further consideration.

Your Committee having received the application for seats in Convention of those certified by St. James's, Philadelphia, to be delegates, and having been advised that St. James's has failed to pay its Diocesan assessments in the year 1943 concludes:

1. That under the applicable provisions of Constitution and Canons said parish has forfeited its right of representation at this Convention; and

2. That the Convention must so declare.

However, the Committee directs the attention of the Convention to the fact that while forfeiture of representation under these circumstances is automatic, the right to representation may for satisfactory reasons be restored by action of the Convention.

(Signed) John Lewis Evans, *Convener.*
T. B. K. Ringe.
Ernest Scott.

After consideration the Committee reported further, offering the following Resolution, which was adopted:

Whereas, More than two months before the date of this Convention the Rector wrote a full explanation of St. James's, Philadelphia, difficulties to the Bishop and giving its reasons for failure to pay Diocesan Assessments in 1943;

Whereas, St. James's, Philadelphia, has been duly represented in this Convention without interruption for more than 130 years; now be it

Resolved, That the Convention restore to St. James's, Philadelphia, its right of representation at this Convention without paying any assessments due and not paid.

(Signed) Ernest Scott, *for the Committee.*

Mr. Roland S. Morris, Chancellor of the Diocese, reported for the Special Committee appointed at the last Convention to consider the Resolution of Dr. George B. Hawkes, as follows, which was adopted:

The Committee to which was referred the Resolution offered by Mr. Hawkes reciting the alleged illegality of a certain portion of our Recommended Form of Charter and proposing a change therein, would report that, having fully investigated the matter of the alleged illegality of the present provision in the Charter, and having ascertained that it has received judicial approval in various courts for the last decade or more, and has, in fact, been judicially approved since the last Convention, the Committee is of the opinion that there is nothing illegal in our recommended form of charter and no reason for making any change therein.

The Rev. Walter C. Pugh presented the Report of the Committee on Charters, and offered the following Resolution, which was adopted: (Appendix M, page 303.)

Resolved, That the amendments to the Charter of "The Church of St. James the Less" be approved and that permission be granted to apply to the proper Court to grant the same.

The Committee on Charters further presented a Form of Suggested Parish By-Laws and moved that the By-Laws be printed as amended in the Appendix M, page 303. The Motion was carried.

The Rev. Dr. Niblo presented the report of The Commission on Rectors' Salaries and Pensions, and offered the following Resolutions, which were adopted:

Report of the Commission on Rectors' Salaries and Pensions:

It is with a great deal of satisfaction that the Commission makes the following report for the year 1943. Two aided parishes found themselves able financially to need no grant from the Sustentation

Fund and five others requested a smaller amount than the year previous. Only one new Parish asked aid for the Rector's salary and no problem was presented from any Parish towards the close of the year as has sometimes happened in the past years.

The Executive Council wisely made an increase of $150 during this year to all Vicars' salaries, asking the Congregations of each Mission to add a like sum. This action, due to the higher cost of living, was communicated to your Commission on Rectors' Salaries and Pensions, and depending upon the fairness of this Convention to sustain a similar action on behalf of the Rectors of Aided Parishes, the same was done. All Vestries of the Aided Parishes for 1944 replied that they were grateful for this opportunity to increase their Rector's salaries and would likewise add the $150 from the Congregation.

With the exception of three Parishes, practically all the rest fully pay their share of the Sustentation Fund, thereby making it possible to grant every Rector the minimum salary as set by Canon and for two years past an additional sum to help meet the higher cost of living expenses. Every Parish and Mission have fulfilled their obligations as fixed by Canon concerning Clergy Pensions.

By reason of fewer Parishes asking a grant from the Sustentation Fund and a larger than usual balance in that fund the Commission recommends the adoption of the following Resolutions:

1. RESOLVED: That the Commission on Rectors' Salaries and Pensions be authorized to assess for the Sustentation Fund for the year 1945 the sum of $8,000.

2. RESOLVED: That the action of the Commission on Rectors' Salaries and Pensions in making an additional grant of $150.00 to each Rector receiving aid from the Sustentation Fund for 1944, and requesting each such Parish to increase the salary by an additional $150.00 be ratified by this Convention.

(See also Appendix I, page 291.)

The Rev. Dr. F. C. Hartshorne presented the REPORT OF THE COMMITTEE ON CANONS (Appendix N, page 314), which on Motion was adopted.

The Rev. Dr. Niblo presented the REPORT OF THE CATHEDRAL CHAPTER (Appendix K, page 295).

The Rev. J. Jarden Guenther presented by title the REPORT OF THE COMMISSION ON FORWARD IN SERVICE (Appendix L, page 300) and offered the following Resolution, which was adopted:

RESOLVED, That Convention appropriate from the Convention-Diocesan Expense Fund the sum of $700.00 for the combined work of the Forward in Service Commission and of the Diocesan Retreat Association.

The REPORT OF THE COMMITTEE ON FINANCIAL SAFEGUARDS was presented by title (Appendix F, page 254), this being a Sub-Committee of Executive Council.

The COMMITTEE ON CANONS presented a report on changes in Canon XVI, on vote adopted (see Appendix N, page 314).

The Order of the Day having arrived, the Bishop requested the Rev. Stanley R. West, Chairman of the Department of Missions, to lead the Convention in Noon-day Prayers.

The Special Order of the Day having arrived, Mr. Lewis N. Lukens, Jr., Chairman of the Diocesan War Commission, reported to the Convention concerning the work of the Commission and presented Colonel Cuyler of the United States Army, who addressed the Convention.

The Rev. Frederick W. Blatz, Executive Director of the War Commission, also addressed the Convention.

The COMMITTEE ON CANONS recommended an Amendment to Canon XVIII, SEC. III, Sub-section 2 (see Appendix N, page 314), and Mr. Spencer Ervin offered the following Resolution, which was adopted:

RESOLVED, That this Convention hereby instruct the members of the Corporation for Christian Work in Educational Institutions to take prompt steps to bring the Charter of the Corporation into accord with Canon XVIII, Section III, Sub-section 2, as amended by this Convention.

The REPORT OF THE EXECUTIVE COUNCIL was presented by title. (Appendix F, page 246.)

Mr. William H. DuBarry read the REPORT OF THE STANDING COMMITTEE (Appendix D, page 201).

The Rev. William H. Jefferys, Jr., was called upon by the Chair to speak on his Resolution which had been adopted.

The following Reports were presented by Title:

THE CHURCH FOUNDATION (Appendix H, page 286).

THE EPISCOPAL HOSPITAL.

THE DIOCESAN LIBRARY (Appendix S, page 327).

CORPORATION FOR CHRISTIAN WORK IN EDUCATIONAL INSTITUTIONS (Appendix U, page 329).

The REPORT OF THE COMMITTEE ON THE SEAL OF THE DIOCESE was presented by Title (Appendix P, page 324) and the following Resolution offered, which was adopted:

RESOLVED, That the Committee be continued until such time as it is possible to bring a report from the College of Heralds.

The REPORT OF THE COMMITTEE ON CLERGY PLACEMENT was presented by Title (Appendix V, page 331), and offered the following Resolution, which was adopted:

RESOLVED, That the present Diocesan Committee be discharged from further consideration of the subject.

The Rev. Dr. Salmon presented the REPORT OF THE COMMISSION ON CHURCH UNITY.

Mr. Spencer Ervin rose to a Point of Order and addressed the Convention thereon:

"Not long after the adjournment of Convention of 1943 the Bishop of the Diocese then in office wrote the members then serving on the Commission on Unity requesting their resignations. The resignations were promptly submitted as requested although at least one of those addressed challenged the authority of the Bishop to make the request. Having received the resignations, the Bishop then proceeded to appoint as members of the Commission the gentlemen now reporting.

"The request for the resignations was unlawful, and a breach of the rights of the Convention. The appointments made subsequent to the resignations of 1943 had no validity. The Commission now reporting is not a Commission of this Convention.

"Everyone who knows the scrupulous care taken by the late Bishop to be impartial in committee appointments will be satisfied that his

motives in requesting the resignations, and naming an entirely new Commission, were of the highest. He may have thought that a fresh start would produce unanimity. But whatever his motives it would set a dangerous precedent to allow his action to pass without challenge or curative measures. Some less impartial, or more domineering, successor, might remove the members of some important Committee which opposed his policy and fill their places with men who would do his will. It cannot be said too often that Bishops, like presbyters and laity, are subject to law. A Bishop has of course wide powers which no law can fetter. These are apostolic in origin. No one can limit his powers in respect of ordination, for example. But as presiding officer of the Convention of his clergy and laity he is fortified only by his own personal qualities and respect for his office: he takes into the chair with him no powers derived from his office as Bishop.

"Now the powers of the presiding officer of a legislative assembly are only those granted expressly or by custom. He is a convenience, not a czar. By custom in this Convention, as in most legislative assemblies, he has the power of appointing the members of Committees. But Convention has the original power of appointment; it can at any time, in respect to any Committee or Commission, direct who shall be the members thereof.

"When the presiding officer of this Convention, acting for the Convention, has named the members of a Committee, these members serve until death, disability, resignation, or removal, or until the end of the term of service to which the Committee has been limited by the Resolution of Convention establishing the Committee. Only the Convention can remove a member of a Committee. The presiding officer has not been given that power by either rule or custom. The request for the resignation of the membership of this Commission was therefore, as already stated, without authority.

"But, it may be urged, the members of the Committee having yielded to the unlawful demand for their resignations, vacancies did result, and the presiding officer is authorized by custom to fill vacancies resulting from resignation.

"The answer to this contention comes easily to mind: Not being authorized to create vacancies by his own act, the presiding officer is not authorized to fill them when so created. If we admit that vacancies did occur as the result of the unlawful demand for the resignations, still the presiding officer was not authorized to fill them; they simply remain until the Convention can take curative action. Any other rule would permit a presiding officer to reap the advantage of his own wrong.

"Convention at the present moment has two courses open: It can by appropriate Resolution now adopted, appoint as members of this Commission the gentlemen who are now purporting to act as such, and it can then receive their report; or it can refuse to make such appointment and then refuse to receive the offered report. If the

former course is adopted, an accompanying Resolution should be also adopted making clear the occasion of the appointment and in effect denying the right of the presiding officer to create vacancies in this manner."

The President, on the advice of the Chancellor, overruled the Point of Order.

Dr. Salmon then presented the Report without recommendations and on Motion the following Resolution was adopted and the Committee was continued:

COMMITTEE ON THE PRESBYTERIAN CONCORDAT—CHURCH UNITY

WHEREAS, The Diocesan Convention of last year expressed itself as not in favor of organic union with the Presbyterians on the basis of "Basic Principles"; and

RESOLVED, That the Committee on the Presbyterian Concordat be known as the Committee on Church Unity.

WHEREAS, Bishop Hart appointed a Blood Donor Committee for the Parishes and Missions of Philadelphia County last June, and

WHEREAS, This Committee has met with some success in recruiting Blood Donors; therefore be it

RESOLVED, That all the Parishes and Missions in the Diocese be urged to cooperate in recruiting Blood Donors and that a donor be sought for every service star in the Church's service flag.

The Rev. Albert F. Fischer, Jr., presented the following Resolution, which was adopted:

RESOLVED, That this Convention heartily approve the action taken by the Department of Missions, the Committee of Deans, the Commission on Rectors' Salaries and Pensions, and the Executive Council in the increasing of incomes to the missionaries and clergy of aided Parishes during 1944. We appreciate the increased burden on those who have limited incomes and we hope that the above mentioned Departments and Committees will in the future do all in their power to maintain the income of these clergy at the 1944 level.

The Rev. Dr. James M. Niblo offered the following Resolutions, each of which was adopted:

RESOLVED, That the next Annual Convention begin on Monday, April 30, 1945, at 5 P. M., to transact such business of the Convention up to and including Nominations from the Floor as may transpire, to be followed by a Diocesan Mass Meeting on Monday evening when the Annual Address of the Bishop shall be read, at such time as the Bishop and Standing Committee may appoint, with adjourned Sessions on Tuesday, May 1, 1945.

RESOLVED, That the Treasurer of the Diocese be authorized to pay the honorarium of $100 to the Assistant Secretary of the Convention.

RESOLVED, That the Bishop be authorized to appoint after the adjournment of the Convention the usual Committees and Commissions.

Bishop Hart addressed the Convention and thanked the members for their co-operation.

The Bishop appointed the Committees (for personnel, see page 7).

The Rt. Rev. Francis Marion Taitt, ninth Bishop of Pennsylvania and three hundred sixty-second in the succession of American Bishops, died on the evening of Saturday, July 17th. A service was held in his old parish, St. Paul's, Chester, on Wednesday, the 21st, at 11 A. M. by the Rector, the Rev. Stanley V. Wilcox, assisted by the Rev. John C. Roak and myself. At 2 P. M., the burial office was read in the Church of the Holy Trinity, Philadelphia, by the Presiding Bishop, the Rt. Rev. Henry St. George Tucker, assisted by the Rector, the Rev. Dr. E. Frank Salmon, the Rev. Dr. Charles W. Shreiner and myself. The committal service in the Cathedral Church of Christ, Roxborough, was read by the Canon Residentiary, the Rev. Dr. James M. Niblo, and myself.

O Thou, who art the God of the generations of men; we thank thee for all who have walked humbly with thee, and especially for thy servant, Francis Marion, in whose life we have seen a vision of thy beauty. We give into thy heart our penitence for whatever more we might have been or done towards him, that through thee our thoughts of him may reach him forever. Unite us still, our Father, in one household of faith and love, one family in heaven and upon earth; through Jesus Christ our Lord.

We remember before God the faithful souls who have blessed the world, who have feared God, who have bravely upheld the right and generously lived for others' good.

Of Bishops of the Church:

HERBERT HENRY HEYWOOD FOX — HARRY SHERMAN LONGLEY
JAMES EDWARD FREEMAN — FRANCIS MARION TAITT
FREDERICK FOOTE JOHNSON — FRANK ELMER WILSON

Of Priests of this Diocese:

JOSEPH CULLEN AYER — CARL ECKHARDT GRAMMER
ROBERT WELLINGTON BAGNALL — STEWART PEGRAM KEELING
SAMUEL NEAL KENT

Of Lay Deputies to the Last Convention:

M. BRANTLEY ELLIS — EDWARD H. ZIEGER
GEORGE E. CAMPBELL — FRED B. SAMMIS

Of Lay Deputies to former Conventions:

GEORGE GORE — H. H. LINEAWEAVER
JOHN H. MITCHELL — WILLIAM R. RICKARD

Before thee, O heavenly Father, we remember those who have passed from our midst into the fuller light of thy eternal presence. We thank thee for their loyalty to duty and their power of self-surrender, and for the discipline by which thou hast made them fit for the higher service in thy kingdom. May we have the assurance of their continued fellowship in thee, and realize that there is no separation between those that love, even though converse and communion be no longer possible according to the flesh. Hear, O God our Father, the prayers that follow our beloved ones upon their unseen way, and grant that both we and they, in every condition thy wisdom ordains, may grow and continue in the knowledge of thee which alone is eternal life, through Christ Jesus our Lord. Amen.

## Fund for the Endowment of the Episcopate

It seems almost out of place for me to refer to Bishop Taitt's single-hearted devotion to the welfare of this Diocese. In his last Convention Address he said, "I have a good idea of the work of the Church and I love it." You know the truth of those words far better than I because you worked with him for many years. I was his assistant long enough to learn beyond any doubt that the most sincere tribute which I can pay to his memory cannot be in words, but in my best efforts to strengthen the Diocese which he served so faithfully.

Knowing of Bishop Taitt's great desire to have the Fund for the Endowment of the Episcopate increased, I was happy when the Diocese responded so generously in the offering made at his Memorial Service. Bishop Taitt had appointed a committee of three, with Mr. E. Lowber Stokes as Chairman, on the Enlargement of the Endowment of the Episcopate, and I have added to their number. The committee does not plan at this time to conduct any campaign for funds, but to keep the members of the Diocese informed about the Fund in the hope that they will add to the Fund by gift and bequest. I have every confidence that this will be done and I know that every addition to this Fund is a sincere tribute to Bishop Taitt's service to this Diocese.

## Increase in Salaries

I want to express my gratitude to all who contributed to the fund which was raised last year in order to supplement the salaries of the Rectors and Missionaries who were receiving the minimum salaries. We had hoped to be able to give $300 to each one, but the amount received permitted us to give only one-half of that amount. I hope that the Convention will regularize the action of the Department of Missions and the Commission on Rectors' Salaries and Pensions in raising the minimum salary $300 for the year 1944.

## Proportionate Share

You are aware of the splendid response made by the Diocese in reference to our Proportionate Share for the Missionary work of the Church. Figures can be very dreary things, but they seem to have come alive with you. You have strengthened the morale of the whole Church by accepting your full proportionate share of $150,000.00. I am asked by some vestries if I think that the proportionate shares are equitably distributed in this Diocese. There is no mathematically perfect system. I have been making a study of our system as compared with the one used in the Diocese of New York, and I want to ask a group of competent laymen to make a thorough study of our whole financial structure. There is nothing sacrosanct about our present method and any vestry has the right to suggest a better one. Of one thing I am sure—for any method to succeed, we must have the spirit shown by many of our congregations who have voluntarily and gladly given up things in their own parishes in order to pay and over-pay their proportionate share. Too high praise cannot be given to Mr. Joshua Ash Pearson, Dean Shreiner and their associates for fortitude and vision in leading the Diocese to its

present position. I quite agree with one of you who wrote to me: "My sincere belief is that while we must indulge in arithmetical calculations, such procedure is quite inadequate for the establishment of convictions and the building up of a generous and loyal membership. Those who are so trained are fewer in number each year, and we do so little to train others to take their places. Send out men who know the stories and can tell them effectively, and there will be created in our congregations an informed and increasingly enthusiastic and generous people to contribute the funds. That is the way in which all successful enterprises are conducted."

## Bishop Roberts

The Standing Committee has agreed to my request that the Rt. Rev. William Payne Roberts, Bishop of Shanghai, be invited to assist me in the Diocese next year. Bishop Roberts will take up his residence in the Diocese in September and will remain with us for a year unless the war ends before that time and he can return to China. In addition to his assisting me with the confirmations, he will be available for addresses to men's clubs, woman's auxiliaries and other parish groups on the mission of the Church. With Bishop Roberts' help in confirmations, I shall be able to arrange such a schedule as to permit me to make a real visit to the parishes and missions and have time to confer with the Rectors and Vestries.

## Notable Gifts

Legacies were given to the following churches and institutions:

To St. Stephen's Church, Philadelphia, $30,000; to the Endowment Fund of St. Stephen's Church, Philadelphia, $5,000; to the North Philadelphia Convocation, $1,000; to the Woman's Auxiliary of St. Stephen's Church, $1,000, and to the Diocese of Pennsylvania, $200,000, by Miss Laura Bell.

To the Episcopal Hospital and All Saints Church, Moyamensing, $1,000 each, and to Seamen's Church Institute, $500, by Rebecca Wadsworth.

To Holy Trinity Mission, Lansdale, $500, by Charles McDowell.

To the Church of the Resurrection, Philadelphia, $5,000, and to the Episcopal Hospital, $5,000, by Frederick Goodnow.

To the Memorial Church of St. Paul, Overbrook, $5,000, by Walter H. Johnson.

## Department of Christian Education

According to figures gathered by the Rev. J. Wesley Twelves, the enrollment in our Church Schools decreased 18% during 1939-42 inclusive. At the same time the crime rate among juveniles was on the increase. Obviously we must redouble our efforts to reach the children in our midst, and to give them religious training. Religion is, and always will be, the dominant factor in the development of character. Several parishes in the Diocese have been and are making an earnest effort to serve all the young people in their community. Criticism is inevitable. Personally, I am inclined to be conservative, but if I had to choose between a closed parish house which gives to young people the impression that the Church doesn't care about them

and an open parish house with a well supervised program—even if it means dancing on Sunday night—I would choose the latter. Certainly we want to overcome the idea that the Church buildings are only for the use of the young people of our Church. We want to use our equipment for the entire community. We want to seek the unchurched youth and give them Christian nurture which is interesting and superior to the type of secular instruction to which they are accustomed. Where this is done, I am convinced that young people will respond. The young people showed last year what they could do by presenting a Lenten Offering over four thousand dollars larger than the year before. The Presentation Service on the grounds of the Episcopal Academy is an inspiring sight and Mr. Twelves and his committee are to be congratulated on their fine work in preparing for this service.

## Placement of Churches

The strategic placement of our churches is a problem which will tax not only our wisdom and judgment but also our feelings and loyalty. If our motive is to minister to the community and to use properly for Christ our man power, then we must be able to rise above our own likes and dislikes. I have been greatly encouraged by a letter received recently from a devoted communicant of this Diocese. She was writing about her parish moving to a new locality. She wrote: "If anyone should have sentiment about moving, I am that person. It is, of course, a wrench but I feel that we must use common sense." Sentiment is not to be lightly disregarded but we must plan our work as wisely as we can.

Church buildings are not easily moved and, therefore, the consolidation of existing work or the opening of new work should not be undertaken until we have made the most complete analysis possible of all the factors involved. It cannot be over-emphasized that our first consideration must be men, not buildings. We need the unselfish labor and hard thinking of the ablest men and women in the Diocese, men and women who are not afraid to move forward boldly for Christ and His kingdom even though it involves drastic changes in our present methods.

## Diocesan War Commission

The full report of the War Commission will be made tomorrow. Here I would like to remind you of our threefold task.

(1) To keep in touch with the men and women who are now serving in the armed forces. This is chiefly a parish responsibility and in most of our parishes is being thoughtfully and lovingly done. Its importance is evident. I urge the lay delegates to see to it that this work is not left to be done by the Rector alone.

(2) Our ministry to the men and women who are stationed in or near Philadelphia. The Diocesan Service Club at St. Stephen's has done and is doing effective work. We are able to operate the Club on a modest budget due to the cooperation given by the men and women of the Diocese. The offering for the work of the War Commission fell far short of our goal.

We are limited in what we can do in the Diocese and also we are not able to give what seems to many of us to be our fair share of the budget of the National Army and Navy Commission. More of our clergymen are entering the armed forces monthly and it is inconceivable to me that our Church people would not be willing to support them.

(3) Our ministry to the men and women who have been discharged and returned to this country from the areas of combat. These men and women have definite spiritual needs and we must make every effort to minister to them. The clergy in the vicinity of the Valley Forge Hospital and the Veterans' Hospital at Coatesville have shown real eagerness in their desire to minister to the patients there so far as Army regulations permit. Recently the president of a large corporation outlined a three-point program which his company had adopted in reference to the re-employment of returning service men and women. What plan has your parish? The problem is so colossal that we are tempted to do nothing, but surely we must give careful thought to their attitude toward the Church before they went away. More difficult still we must try to find out what has happened to them morally and spiritually through their war experience. How can they best serve in the extension of Christ's kingdom? Into what kind of work will they best fit? Will the life and worship of the parish appeal to them by its vitality and largeness of vision? These questions should be very much on our hearts and minds throughout this Convention. The War Commission wants to be a center of information for our parishes concerning the various agencies which can help ex-service men to meet their problems. If you have any suggestions, please send them to the War Commission office.

To the appeal for funds to meet our budget, some parishes have responded generously and some have not responded at all. The record is available and I would appreciate it if you would examine this list and see if your parish has made an offering commensurate with the vital importance of this work. Our Church people are definitely interested in the work for the men and women in service as shown by their response to community appeals. I should hate to see us have to close up St. Stephen's Service Club, but to date not enough has been received to enable us to operate it for the entire year. Bishop Sherrill, Chairman of the National Army and Navy Commission, wrote to me recently, "I sometimes wake up in the night and wonder what we should do if by any chance the Church should not continue to support the work of the Commission in the coming months."

## New World Order

Many of our religious leaders have tried to state what our aims as Christians should be in this war, and the result has been somewhat as follows: "We are fighting for liberty to make the ordering of life increasingly Christian." The cynic will respond to such a statement with a weary and bitter smile. But we Christians ought to have our special point of view. We should not be swept along by the tides of popular emotion. The marks of a Christian are not only humility and sincerity, but wisdom and judgment. Mr. Louis C. Washburn has done a splendid work in promoting the study of

World Order. Those of you who have worked with Mr. Washburn or who attended the School of Christian Education in the Church House this past winter are aware of the realistic approach which our Committee to Promote the Study of New World Order is using. The Archbishop of Canterbury's statement on "What Christians Stand for in the Secular World" merits full and frank study and discussion. Someone has well said of it, "Here are the pillars of an ecumenical theology of great significance for the present and future task of the Church." The fact that we can do so little should not blind us to the necessity of doing that little well.

## The Jefferies Fund

The Elizabeth B. Jefferies Fund has been administered in accordance with an agreement reached by the representatives of the Diocese and the Germantown Trust Company. In 1943 there were 11 beneficiaries,—six of whom were Priests of this Diocese and five from outside of the Diocese. The Germantown Trust Company has accepted the recommendation of the Bishop of Pennsylvania in every instance, but it should be borne in mind that the final decision as to a grant rests with the Germantown Trust Company and not with the Bishop of the Diocese. As long as the present arrangement is continued, I see no reason why there should be any difficulty.

A question arose this year in regard to a grant to the widow of a beneficiary of the Fund. The matter was referred to the Master and to the legal advisers of the Germantown Trust Company, and they were in agreement that the income of the Fund was to be applied to supplement the pensions of needy ministers and their wives, but not to widows of deceased ministers.

## Woman's Auxiliary

The women of the Church are manifesting an increased awareness of the scope and need for their work. The day is happily passing when branches of the Auxiliary are content with their own particular work. Now they see that their task is to enlist every woman in the Church in some form of service for the bringing in of God's kingdom. Now our women are showing a greater eagerness to make the work of the whole parish so challenging that it will attract the attention of all. Our thanks are due to Mrs. Packard and her faithful associates for their untiring efforts and leadership.

## The Church Foundation

The Church Foundation has performed and is performing a most valuable service to this Diocese. Credit for this is due largely to the untiring work of the Executive Vice-President, the Rev. Dr. Francis C. Hartshorne, and the Trustees. The Church Foundation was incorporated to fulfill a twofold function, i. e.:

(1) An Investor of Funds
(2) A Living Trustee

The cost of operation as Investor of Funds is rightfully taken care of by the beneficiaries. The cost of this service has increased, but The Church

Foundation seeks to give the best and safest service at as low a cost as possible. No adequate provision, however, was made for defraying the cost of operation as Living Trustee. The Executive Council has appointed a committee to work out with a committee of the Trustees of The Church Foundation a fair and adequate basis of operation. It is essential for this to be done at once.

In a recent editorial in *The Living Church*, the editor, a layman, wrote as follows about parish calling: "God never meant His sacraments and the public life of His Church to be a substitute for personal friendship and conversation. He never meant the Sacrament of Penance to be the only channel for heart-to-heart talks between priest and people. He never meant the family meal—the Holy Communion—to take the place of personal contact. Certainly He did not construct human beings in such wise that mimeographed letters, meetings, and card-indexes fully express the relation that should exist between man and man.

"Much can be done, even under wartime conditions, if the fact is kept in mind that there simply is no substitute for parish calling. We of the laity who feel that parish calling is so vital can be helpful in many ways. We can, first and most important, let the priest know when a member of the family or a neighbor is sick. We can do some of the calling ourselves—especially on new families, who have flocked into some areas in such large numbers. A first call from a layman is, in some ways, even more impressive than a call from the rector. Lay people should keep in mind the fact that every routine job that is shouldered by a layman, and seen through to the finish, will help to make his rector a more efficient priest and his parish a stronger unit of the Kingdom of God." My experience leads me to shout a loud "Amen" to what this layman has said. It is most encouraging to have a layman speak out so clearly and to make a constructive suggestion as to how the laymen can help in accomplishing the desired results.

## Philadelphia Divinity School

The Philadelphia Divinity School is not an institution of the diocese, but it is in the diocese and receives practically all of its support from the diocese. Over one thousand men and women in the diocese have shown their interest in The Divinity School by contributing over $30,000 this year to its support. What the immediate future holds for the seminary, it is impossible to tell. The present regulations of the Selective Service Board indicate that we will have no entering class this fall. I ventured to suggest to the Board of Trustees that they consider the possibility of using The Divinity School as a center for post-graduate work in pastoral care but the Board of Trustees and Alumni are very desirous of continuing the school as an undergraduate seminary.

The training of men for the ministry is one of the most vital problems facing the Church today and at the same time one of the most difficult. Obviously the training of men who have been in the armed forces will present a special problem. To try to fit them into our peacetime training would be disastrous both to them and The Divinity School. It seems to me that we

move very slowly indeed in meeting these problems but I am encouraged by the widespread interest in the school.

I realize that it is necessary for us to amend Canons and talk about details which seem very remote from the crying needs of a broken world. A devoted layman said recently, "To the man in the street today religion is something divorced from reality. The result is that our sparse congregations consist mainly of elderly and frustrated spinsters and the rather unpleasant young men who love the swish of a cassock." Such criticism may be one-sided but I do hope that all of our discussions will be carried on with full realization of the urgency of the times. Surgeons meeting in a clinic would not dare to indulge in idle or frivolous words. Dare we do less when we are concerned with even more important matters? If a stranger should come into this Church tomorrow in order to get a clear idea of what Christianity is, I hope that he will leave saying, "Surely God is in this place."

## Official Diary of the Bishop of Pennsylvania

1943

*May 3, Monday. P.M.* Holy Trinity, Philadelphia. Diocesan Convention; presided at opening session.

## Report of the Standing Committee to the Convention

The Standing Committee met for organization on May 28, 1943, and received the Report of the Secretary of the Convention that the Convention had elected as members of the Standing Committee:

| | |

| The Rev. Nathanael B. Groton | Mr. William P. Barba |
| The Rev. Franklin Joiner | Mr. William H. DuBarry |
| The Rev. James M. Niblo | Mr. Spencer Ervin |
| The Rev. Chauncey E. Snowden | Mr. Samuel F. Houston |
| The Rev. Stanley R. West | Mr. W. W. Montgomery, Jr. |

The Rev. Franklin Joiner was elected President of the Standing Committee, and Mr. William H. DuBarry was elected Secretary of the Standing Committee.

The President appointed the following committees:

Budget Committee: Mr. William P. Barba, Mr. Spencer Ervin.

Committee on Charters: Mr. Spencer Ervin, Mr. W. W. Montgomery, Jr.

Committee on those qualified for election to the Episcopate: Mr. Samuel F. Houston, the Rev. Dr. Nathanael B. Groton.

Committee concerning the qualifications of Postulants and Candidates for Holy Orders, the Diaconate, and the Priesthood: The Rev. Dr. Nathanael B. Groton, the Rev. Stanley R. West, and Mr. William H. DuBarry.

The Right Reverend Francis Marion Taitt, S.T.D., LL.D., Litt.D., Bishop of the Diocese of Pennsylvania, died on July 17, 1943.

The following minute was adopted by the Standing Committee:

We, the members of the Standing Committee of the Diocese of Pennsylvania, in this resolution place on record for ourselves and for the Diocese this expression of sorrow and personal loss in the death of our beloved Diocesan, the Right Reverend Francis Marion Taitt, S.T.D., LL.D., Litt.D.

Bishop Taitt spent his entire ministry in this Diocese. As Pastor of a flourishing parish, as Dean of an active Convocation, as a faithful member of this Committee, he was particularly fitted by his wide experience and intimate knowledge of the Diocese to be its Bishop, to which office as Coadjutor he was called in 1929. He came to this office at a time when such a Pastor was most needed. In his faithful, untiring and sympathetic administration of the Diocese he proved himself with the advancing years to be more and more a Father in God to his people.

As we revere his memory and pray for his continual growth in God's love and service, we are bold to say: "Behold a great Priest who in his days pleased God and was found righteous."

A funeral service for Bishop Taitt was held in St. Paul's Church, Chester, at 11 A. M., on Wednesday, July 21, 1943, conducted by the Rt. Rev. Oliver J. Hart, D.D., S.T.D., LL.D., the Bishop of Pennsylvania, with the assistance of the Rev. Stanley V. Wilcox, the Rector of the Church, and the Rev. John C. Roak. At the same hour, in the Church of The Holy Trinity, Philadelphia, the Rev. Franklin Joiner, D.D., the President of the Standing Committee, conducted a service of Holy Communion, and at 2 P. M., at the Church of The Holy Trinity, Philadelphia, there was a funeral service conducted by the Rt. Rev. Henry St. George Tucker, D.D., LL.D., the Presiding Bishop; the Bishop of Pennsylvania; the Very Rev. Charles W. Shreiner, D.D., Dean of the Convocation of Chester, and the Rev. E. Frank Salmon, D.D., Rector of the Church of The Holy Trinity, Philadelphia, followed by the burial in the Cathedral Church of Christ, Roxborough, this service being conducted by the Very Rev. James M. Niblo, D.D., the Canon Residentiary.

A service in memory of Bishop Taitt was held on the night of October 17, 1943, in the Church of The Holy Trinity, Philadelphia. At this memorial service, a thank offering for the life and work of Bishop Taitt was taken up, which, in accordance with the wishes of Bishop Taitt, was designated for the Endowment of the Episcopate.

The Right Reverend Oliver James Hart, D.D., S.T.D., LL.D., Bishop of Pennsylvania, was enthroned in the Cathedral Church of Christ, Roxborough, on St. Matthew's Day, September 21, 1943.

The Bishop of Pennsylvania and the Standing Committee entertained at supper in honor of the Most Reverend, His Grace, the Lord Archbishop of York, Cyril Forster Garbett, D.D., on Thursday evening, April 13, 1944, prior to the service at the Church of The Holy Trinity Philadelphia, at which the Archbishop preached the sermon.

The Standing Committee consented to the consecration of:

The Very Reverend J. Thomas Heistand, D.D., as Bishop Coadjutor of the Diocese of Harrisburg.

The Reverend Everett H. Jones, D.D., as Bishop of the Diocese of West Texas.

The Reverend Edward Pinkney Wroth, as Bishop of the Diocese of Erie.

The Very Reverend Harry Austin Pardue, D.D., S.T.D., as Bishop of the Diocese of Pittsburgh.

The Reverend Thomas Neely Carruthers, D.D., as Bishop of the Diocese of South Carolina.

The Very Reverend Elwood Lindsay Haines, as Bishop of the Diocese of Iowa.

The Reverend William Wallace Horstick, B.D., as Bishop of the Diocese of Eau Claire.

The Standing Committee gave its consent to the election of a Bishop Coadjutor in the Diocese of Michigan.

The Standing Committee gave its approval to the appointment of the Rev. John P. McGarvey to be a member of the Board of Examining Chaplains, vice the Rev. Francis C. Steinmetz, resigned.

The Standing Committee gave its advice and consent to the reappointment of Roland S. Morris, Esq., as Chancellor of the Diocese.

The Standing Committee approved the proposed new charter for the Church of St. James the Less.

The Standing Committee gave its consent to the sale of the property known and used as St. Peter's Chapel, Glenside, because of the decision of the Diocesan Authorities to abandon the use of said property for the work of this Church.

The Standing Committee gave its consent to the sale of a narrow, irregular strip of land belonging to St. Anne's Mission, Willow Grove, to the adjoining property owner, in order to straighten the boundary line between the two properties.

The Standing Committee gave its consent to the sale of the Phillips Brooks Memorial Chapel, Lombard Street west of Nineteenth, because of the decision of the Church of The Holy Trinity, Philadelphia, to discontinue this parochial chapel. It was understood that the funds so received would be placed in a capital account, the Vestry of the Church of The Holy Trinity having agreed to create a fund to be known as the Phillips Brooks Memorial Fund for Colored Work of the Church of The Holy Trinity, Philadelphia.

The Standing Committee consented to the payment of a fee by The Church Foundation of 7½% of the income of the Fund for the Endowment of the Episcopate and of the Episcopal Residences Fund, to the Provident Trust Company, the fiscal agent of The Church Foundation, and, in addition, allowed The Church Foundation an amount not to exceed 5% of the income from these Funds for the cost of administration of the Funds. It was agreed that this consent by the Standing Committee expire on April 1, 1945.

Believing that it is important for the Diocese, both for information now and for future reference, to have on record the facts concerning the history of the Fund for the Endowment of the Episcopate and of the Episcopal Residences Fund and of the relationship of The Church Foundation to these two Funds, the Standing Committee has in preparation a memorandum on this subject, which will be appended to the printed Report of the Standing Committee and filed with Convention.

After the death of Bishop Taitt, when Bishop Hart became Bishop of Pennsylvania, the Standing Committee revised the Budget for the Support of the Episcopate for 1943, and set up the Budget for 1944 on the following basis:

| | | |
|---|---|---|
| 1. | The Bishop's salary, beginning August 1, 1943 | $12,000.00 |
| 2. | The Bishop's pension premium | 900.00 |
| 3. | Transportation, estimated | 2,400.00 |
| | $2,400 per annum is allowed in the Budget for Transportation of all kinds for the Bishop, except transportation in connection with General Convention, provided for in Diocesan and Convention Expense Assessment. | |
| 4. | Residence | 2,800.00 |
| 5. | Secretary to the Bishop | 3,500.00 |

The Standing Committee gave its consent to the invitation of the Right Reverend William P. Roberts, Missionary Bishop of Shanghai, by the Bishop of Pennsylvania, to assist him in the Diocese of Pennsylvania for one year beginning September 1, 1944. It was further agreed that, while serving in the Diocese of Pennsylvania, Bishop Roberts be paid a salary of $4,500 per annum; that the pension premium be paid upon his compensation; that up to $1,500 per annum be allowed for a house, if necessary; and that $300 per annum be allowed Bishop Roberts for travel expenses within the Diocese.

Respectfully submitted,

WILLIAM H. DUBARRY,
*Secretary.*

NOTE: It has proved impossible to complete in time for printing in this year's JOURNAL the memorandum on the origin and growth of the Fund for the Endowment of the Episcopate and of the Episcopal Residences Fund, and the other matters related thereto, which was to have been appended to this report. It proved necessary to examine the texts of all the JOURNALS of the Diocese from the beginning to the present time so as to be certain of noting all material in them which might bear upon the subject of the memorandum. The task of examining the JOURNALS has been completed, notes made of their contents, and the memorandum based thereon three-fourths completed. It still remains, however, to examine the Standing Committee minutes, the whereabouts of which has not been ascertainable to the date of this note, July 10, 1944, and to discuss the facts and the law with the Executive Vice-President of The Church Foundation and with the new Diocesan Chancellor. These matters will be attended to and a memorandum prepared for presentation to the Standing Committee in the course of the Autumn of 1944, for such action thereon as it may deem advisable.

APPENDIX E

## Report of the Treasurer of the Diocese of Pennsylvania, 1943

The report of the Treasurer of the Diocese of Pennsylvania for the year 1943, audited by Charles S. Rockey and Company, certified public accountants, is submitted herewith.

All current operating bills for the year 1943 were paid, and, in addition, the Diocese met its expectation to the National Council, amounting to $109,680.

The record of payment on expectations of parishes and missions is as follows:

Two paid nothing; nine paid in part; twenty-six paid in full; 168 exceeded their expectations, of which eight equalled their quota, sixty-five exceeded their quota and five, to whom no quota had been assigned, made a payment. This is a continuance of the improved trend shown in 1942 and is the result of hard work and unselfish giving on the part of the clergy and laity.

The cash balance in the Missionary Fund, after meeting our obligations, was transferred to the Missionary Surplus Account.

It is worthy of note that the sacrifice on the part of the clergy and laity of the Diocese enabled us to earmark $10,000 for mortgage reduction. Too much credit cannot be given to the parishes and missions, the Women's Auxiliary and other Diocesan organizations for the effort put forth to make this record possible. Our thanks are also due the financial staff at the Treasurer's office for their loyal service.

FREDERICK R. DRAYTON,
*Treasurer.*

JOSHUA ASH PEARSON,
*Assistant Treasurer.*

APPENDIX F

## Report of Departments of Executive Council

There must be a more minute study of the several departments of the Executive Council in order to fully realize the vast field that is covered by many workers. Each department has been requested to give a brief report of its activities, and it would be superfluous for a Secretary to repeat what has been reported.

The Departments of the Executive Council are reorganized every year at the June meeting and the members elected and appointed select the Chairmen. The membership of the several Departments is not limited to the members of the Executive Council but may be elected from any part of the Diocese, and approved by the Council if nominated by the Departments. There are men and women in the Diocese who possess special gifts that would be valuable to the Executive Council and yet they are not found to be serving in any field. The Council is not always cognizant where these persons be and so must depend upon Rectors to present names to the Departments or to the Bishop.

The pressure of many meetings has forced the Council to experiment with the plan of holding regular meetings bi-monthly and matters needing action between meetings are acted upon by the Executive Committee of the Executive Council. This plan has proven successful.

The unifying of the Departments and the activities and employees in the Church House under one Secretary has been made possible through the willingness and co-operation of the volunteer workers as well as the paid workers. Harmony can be realized when service is given to the cause and the personal element forgotten. The sharing of ideas and the freedom of opinion makes the Church House the centre of service. No one person knows all the answers and so the Secretary invites suggestions and criticism.

CHARLES H. LONG,
*Secretary to the Bishop.*
*Secretary of the Diocese.*

## DEPARTMENT OF CHRISTIAN EDUCATION

### ANNUAL REPORT FOR 1943

In the course of the past year the name of the Department was changed from "The Department of Religious Education" to "The Department of Christian Education," to conform with the revised nomenclature of the National Council. The staff remained the same, though some titles and duties were changed. Thus, Miss Frazier became Administrative Secretary, instead of Field Secretary; Miss Newman became Assistant Secretary, instead of Office Secretary, and was assigned to work with the various committees in the Children's Division. The Department is grateful for the faithful and efficient service rendered by both Miss Frazier and Miss Newman in the performance of their duties. Miss Dorothy E. Kohl continued as Director of the Church School-by-Mail, maintaining helpful contact with the children of isolated families in the Diocese.

Miss Margaret Earle has given two full days a week of volunteer service in the office, and has earned the gratitude of the Department for her most valuable assistance. Other volunteers, numbering 128, carried on the work of the Department in committees, teaching, and special tasks. To all of these we extend our many thanks.

There were 1,196 visitors in the office during the year, not including those who came for meetings and conference, and 2,069 incoming telephone calls and 1,132 outgoing calls. The office has working contact with 141 of the 208 parishes and missions of the Diocese.

### CHILDREN'S DIVISION

*Committee on Church Schools,*
The Rev. J. Wesley Twelves, Chairman.

The Lenten Offering raised under the supervision of this committee amounted to $43,211.36, an increase of $4,387.93 over the previous year. The Offering was presented at a great outdoor service on the grounds of the Episcopal Academy, at which both Bishop Taitt and Bishop Hart were present. The attendance was estimated to have been the same as

in previous years, viz., about 3,000. In the procession, with crosses and banners, were 800 children from 44 Junior Choirs.

The Advent Offering from the children of the Diocese, amounting to $963.58, from 34 parishes and missions, was given for a Bishop's Work Fund to be used where needed, at the direction of the Bishop.

Through Mrs. Lorin Blodgett, the Christmas Box Secretary, 16 parishes supplied 269 Christmas gifts and $124 in cash to be distributed to missions in the domestic and foreign fields. In addition, 12 institutions and 9 missions in the Diocese received gifts from Church Schools, parish branches of the Woman's Auxiliary, the Young People's Fellowship, and several men's clubs, in all representing 55 parishes. Mrs. Blodgett was in charge of the Christmas Box work for the Christian Social Relations Department of the Woman's Auxiliary, as well as continuing to serve on the Committee, and by this arrangement achieved a most helpful measure of co-ordination in carrying out this project.

The Birthday Thank Offering from January 1st to August 31st (the date of the ingathering was changed to September 1st) amounted to $77.10.

This Committee undertook responsibility for the 73rd Annual Church School Institute. This was held again in the Christian Association building on the campus of the University of Pennsylvania, and was attended by a capacity crowd. Supper was served to 312 persons, and the Committee were obliged to decline reservations for 100 more. There were about 375 present at the Institute, participating in a program centered around the theme, "Toward Inspired Leadership." The speaker of the evening, the Rev. John H. A. Bomberger, was especially commended for a really inspiring address, given under the trying conditions of an emergency blackout.

*Committee on Vacation Church Schools,*
The Rev. Charles M. Coldren, Jr., Chairman.

So far as the Committee has knowledge, 33 schools were held during the summer months, 10 of which were aided by the Department. Six of these were Community Schools. The

largest registration and attendance was in the schools conducted in the Negro parishes of the Diocese. The Convocations of West Philadelphia and North Philadelphia contributed $120 towards the support of schools in their convocations. In spite of the many problems in finding adequate leadership, a sufficient number of leaders was secured for the schools which applied.

*Committee on Weekday Education,*
Miss Helen C. Washburn, Chairman.

The Committee continued its experimental and demonstration school at St. Stephen's Church, Clifton Heights, for the second year. There has been encouraging improvement in almost every phase of this undertaking. Relations with the public school authorities and with other religious groups in the community, which were initiated last year, resulted in a number of helpful developments. Among these were the following: (1) The interfaith group asked the School Board to change the day for religious schools from Friday to Wednesday; the Board granted the request, and it has proved to be a wise change. (2) The Superintendent of Schools invited all the clergy of the community to plan an Assembly program in the Junior and Senior High Schools, on the Wednesday prior to the opening of the Church Schools, for the purpose of getting more boys and girls interested in the weekday project. This was very happily accomplished, and contributed to an increase in enrollment, which in the whole school is 25% larger than last year. St. Stephen's Church now has the largest enrollment among the Protestant bodies in Clifton Heights. The supply of qualified and available teachers is inadequate for even the few weekday schools of religious education hereabouts.

The Standards for Teachers which the sub-committee on Training Personnel prepared last year have been recently adopted, with some alterations, by the Pennsylvania State Committee on Weekday Religious Education, for use at Schoolmen's Week in 1944. This work proved to be a helpful step in interdenominational thinking on the subject.

The Committee, through its Vice-Chairman, Dr. Henry J. Gideon, has had a helpful share in continuing the conversa-

tions between the inter-faith group of clergy in the city and Dr. Stoddard, Superintendent of Schools, looking towards the establishment of experimental released-time schools in Philadelphia. Conversations along this line are still in progress.

*Church School-by-Mail,*
The Rev. Peter C. Van der Hiel, Jr., Chairman.

During the past year 366 were on the roll of the Church School-by-Mail; 97 new pupils were added, 45 were transferred to the nearest Church School, 32 moved, 15 outgrew the work, leaving a total at the end of the year of 273. Miss Kohl has mailed 13,156 lessons, and also sent Bibles, Prayer Books, pictures, etc., where needed. Of the 100 families on the roll, 60 responded regularly, 17 irregularly, with returned question sheets, etc. Fourteen responded with letters only; there was no response from the remaining 9 families. Because of gasoline restrictions visiting was curtailed, but with the aid of 11 clergy and 2 laymen, 77 visits were made possible. Organizations and individuals contributed 165 scholarships of $3.00 each. A Lenten Offering of $32.03 was received from the pupils.

## Youth Division

The Rev. John N. Peabody, Chairman

The annual Diocesan Youth Service was held in St. Stephen's Church, Philadelphia, on March 7th. It was a dramatic service built around the theme, "The World We Seek." About 400 attended from 55 parishes and missions. The Whitsunday Corporate Communion, Youth Sunday, and other parts of the program of the United Movement of the Church's Youth were promoted by the Commission. The Youth Convention, held at Holy Trinity Church on December 4th, was very successful. Box suppers were provided instead of a served meal, and made for more fellowship. At this Convention 185 were in attendance from 48 parishes and missions, in addition to others who came for only a part of the program. The Rev. F. H. Arterton was the principal speaker.

## Adult Division

*Committee on Schools of Christian Education,*
Miss Margaret Earle, Chairman.

The Winter Conference was held on the five Tuesdays from February 2nd to March 2nd. Registration was 166, and 13 classes were held.

The School of Christian Education was held for the six Tuesdays starting with October 19th, with a total attendance of 136. There was a 27% representation of the parishes and missions of the Diocese. A class on the Six Pillars of Peace was held in the first period, and five courses were offered in the second period, two of them on Forward in Service topics, viz., "The Christian Doctrine of Man," and "The Social Implications of Public Worship."

*Committee on Summer Conferences,*
The Rev. Peter C. Van der Hiel, Jr., Chairman.

The fifth Diocesan Summer Conference was held at Beaver College, Jenkintown, instead of at Ursinus College, which had been taken over by the Navy. The Beaver College campus proved satisfactory. Bishop Hart was Chaplain for the Conference, and the Rev. Mr. Van der Hiel was the Director. The total enrollment was 140, including 26 members on the faculty and 10 day students. Half the enrollment represented girls under 20 years of age. Attendance was about the same as the previous two years.

*Committee on Adult Education,*
The Rev. Reuel L. Howe, Chairman.

In April this Committee sent out questionnaires to determine what adult study groups were being held in the Diocese, especially asking for information about the study of a Just and Durable Peace. Twenty replies were received. The Committee co-operated with the Woman's Auxiliary and the Forward in Service Commission in a conference on the subject of a Just and Durable Peace, held in Holy Trinity Parish House on May 24th. At this conference 140 attended from 45 parishes and missions. As a result of the conference a special committee was organized, for which, see the next report.

the many financial problems confronting the Diocese throughout the year.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, with Mr. Edward B. Clay as Chairman, has met several times during the year, and their report will be found elsewhere in the JOURNAL.

Payments were made during the year against principal on mortgages as follows:

| | |
|---|---|
| Ascension, Rhawnhurt | $1,000.00 |
| St. George, Richmond | 1,000.00 |
| St. Mary of the Annunciation | 200.00 |
| Zion | 500.00 |

The Department notes with pleasure that all bills of the Diocese, and its Expectation to the National Church for 1943, have been paid in full. The item in the budget for mortgage reduction was suspended with the understanding that any money remaining after the Expectation was paid would be used for the reduction of mission mortgages on a pro-rata basis. For this purpose $10,000.00 was appropriated for reduction of principal on mortgages to missions who had raised a like amount.

JOSHUA ASH PEARSON,
*Chairman.*

## REPORT OF SUB-COMMITTEE ON FINANCIAL SAFEGUARDS

Due to the fact that your Committee was informed that National Canon 53, "Of Business Methods in Church Affairs," was to be amended at the General Convention in October, no further action was taken by the Committee regarding the formation of a Custody Account, pending the amendment of said Canon.

Canon 53 has now became Canon 6, and directs "the several Dioceses to enact Canons appropriate thereto." To this end Amendments to Diocesan Canon XVI are being presented to the Diocesan Convention, which will result in its conformation to National Canon 6.

It is hoped that this will clarify the situation, and that during the coming year the Committee will be in a position to act accordingly and to report on the workings of this Canon in the Diocese.

## REPORT OF THE DEPARTMENT OF MISSIONS

A more detailed report of the missionary work in the Diocese of Pennsylvania will be found under the several Convocations and reports of the Deans.

The Diocese has had to put aside its missionary building program for the duration but meanwhile it is preparing for the many opportunities that will challenge the Church after the war.

The Church Extension Fund has served the missionary program for many years and in 1943 it aided the Convocation of Chester in purchasing a rectory for the Vicar of Ascension Mission, West Chester, and the Convocation of West Philadelphia in purchasing a rectory for the vicar of St. Titus Mission. In order that the Proportionate Share may be reached by every Parish and Mission the Bishop is asking that the contributors to the Extension Fund for 1944 make their gifts direct to the budget of the Diocese.

The Department has taken the same action as the Council in meeting bi-monthly and appointed an Executive Committee consisting of the Bishop, the Deans, the Chairman of the Department and the Secretary.

The Convocation of North Philadelphia is working out a plan whereby the Church of the Annunciation and St. Christopher may become united into one Parish. The Rev. Mr. Harris has been appointed to this work.

During the year of 1943 a sum of money was raised which made possible a gift of $150.00 to each Missionary. In 1944 the Council approved the plan of paying each Missionary receiving the minimum of $2,100.00—$150.00 extra and asking

that the Mission, if possible, give its vicar a like amount. Many of the Missions accepted this plan and it has helped the Missionaries to meet the rising cost of living.

One cannot think of Department of Missions—the successor of the Board of Missions—without visualizing Bishop Taitt who for many years as Dean of Chester worked for the development of the whole Diocese. His counsel and enthusiasm will be missed but his work goes on to the glory of God.

CHARLES H. LONG, *Secretary.*

## CONVOCATION OF CHESTER

There are twenty-three Missions in the Convocation of Chester. At least, they have the status of Missions at the present time. Actually, seven of our stations no longer receive an appropriation from the Diocese and are only waiting until they have eliminated their indebtedness to become parishes.

These places are Holy Comforter, Aronimink; Holy Sacrament, Highland Park; Redeemer, Springfield; St. Faith's, Brookline; St. Giles, Stonehurst; St. James, Prospect Park, and Trinity, Collingdale. Under the leadership of the Vicars of these Missions, both past and present, this result has been made possible. The Diocese will always be grateful to these men for the self-sacrificing service they have rendered in the establishment of these churches.

During the past year four of our Missions raised something like $7,500 for the reduction of mortgages. It was possible to match $3,800 from the Mortgage Reduction Fund of the Diocese. In addition, this fund allocated $3,750 toward the reduction of the mortgage on St. Mary's, Chester. We hope to entirely eliminate the balance of St. Mary's mortgage by a gift from St. Paul's, Chester.

One important factor in bringing about the reduction of mortgages has been the work of the Woman's Auxiliary to the Convocation. For twenty years the Auxiliary has given $2,000 a year to a Mission in the Convocation of Chester with the proviso that the Mission raise a like amount. That means that in twenty years the debt on Mission property has been

reduced by $80,000. There remains about $50,000 on mortgages on our Mission property.

The Missions are pledged, as a memorial to Bishop Taitt, to have this entirely paid by the spring of 1948. That will be a happy day for us when we can say to Bishop Hart: "All mortgages on Mission property in the Convocation of Chester have been eliminated." The Woman's Auxiliary then may have the pleasure of giving its $2,000 each year toward the establishment of new work in the Convocation. I am sure by so doing their joy will know no bounds.

The Rev. Norman Mason accepted the call to be the Rector of the Church of the Good Samaritan, Paoli, and Bishop Hart appointed the Rev. Robert Frazier, Vicar-in-charge of St. Giles. St. Faith's, Brookline, lost its Vicar, Rev. William Powell, to the services of Chaplain in our Army, and the Rev. Sheldon Davis has been appointed Vicar-in-charge of St. Faith's.

St. Peter's, Broomall, is having a struggle owing to the fact that the temporary location must be given up as soon as we are able to build on our property at Broomall. We have been worshiping in a hall in Manoa where there are seven other churches. We have purchased a lot in Broomall, one and one-half miles west of Manoa, where there are no other churches. There is a great opportunity here to establish a thriving work. A few faithful people will go with the Mission from Manoa to Broomall. Others will more than likely become connected with any one of the three parishes that are established a little more than a mile from the present place of worship in Manoa.

I am happy to announce that every Vicar in the Convocation has had his salary increased by $300 for 1943. One-half of it is given by the Diocese and one-half by the Mission. This is certainly a great step forward in the life of the Church.

May I express my appreciation as your Dean to the Clergy and Lay-people of the Convocation for the loyal support they have given me at all times.

CHARLES W. SHREINER,
*Dean.*

## WOMAN'S AID TO
## THE CONVOCATION OF CHESTER

The annual report for 1942 was omitted and the fifty dollars usually spent for its publication was applied to the spring offering. This year the report comes to you in shortened form. Minutes of the four splendid meetings at Trinity, Swarthmore; Redeemer, Bryn Mawr; St. John's, Cynwyd, and St. Paul's, Chester, are purposely omitted.

May I call to the attention of parishes the resolution to place Bishop Taitt's name on our memorial list, with each Auxiliary participating by sending such contribution as it deems fitting?

Each parish has planned a Study Class or Educational Day, on the two vital subjects chosen for 1943-44, "Ventures in Christian Living" and "The American Scene Today."

St. Giles, Stonehurst, is the object of our mortgage reduction offering this year—1944.

ALICE ADAMS WEST.

## CONVOCATION OF GERMANTOWN

Another year has been added to the life and work of the Convocation of Germantown, and we feel that we can report definite progress due to the hearty help and co-operation of clergy and laymen and laywomen alike.

One of our Missions, that of St. John, West Oak Lane, became the Parish of St. Matthias, and the faithful and efficient Vicar, the Rev. Albert F. Fischer, was elected Rector. We congratulate them and pray for God's blessing on their work in the future.

Quite some growth has been shown at St. Stephen's, Wissahickon, under the capable leadership of the Rev. John W. Talbott. They are once more working toward Parish status.

During the year the Rev. E. M. Baczewski resigned as Vicar of St. Mary's Polish Mission and was succeeded by the Rev. C. F. Sienkiewicz. There has been little growth in this Mission for several years and the Dean seriously questions the advisability of continuing it unless it can be merged with St. Stephen's, Wissahickon, whose buildings they use.

Most of the other Missions have shown growth; but again we must stress the need of planning and preparing now for future growth by adding a second story to the building used by the Mission of the Ascension, Rhawnhurst, which is still only a basement, and for enlarging the Parish House at Hulmeville to give the people at Grace Church a usable building. The congregation at Hulmeville are increasing their own building fund for this purpose.

At the beginning of the year the Vestry of St. Luke's, Bustleton, took over the work at St. Andrew's, Somerton, as a Parochial Mission. Because of the increasing number of houses going up in that general section the Mission should show considerable growth.

During the year the Parishes and Missions promised to give $74,473.96 for the work of the Diocese and the General Church. What they actually gave was $83,429.93, plus special contributions from other sources within the Convocation of $21,618.10. For this we express our grateful appreciation.

We also desire to extend our sincere thanks to the officers

and members of the Woman's Aid of the Convocation for their loyal and enthusiastic support.

N. Herbert Caley, *Dean.*

## WOMAN'S AID OF
## THE CONVOCATION OF GERMANTOWN

During 1943 the Woman's Aid held four meetings, a devotional service and a garden party. As it considered the work of the Convocation, more concern was expressed for the life and programs carried on within the Church buildings than for buildings themselves. This growing conviction, strengthened by Bishop Hart's remark that "Men count for more than buildings," led the women to vote less money than usual for buildings and mortgages and more for education and training in leadership. The Woman's Aid voted funds to provide summer conference scholarships and to help church schools and vacation church schools; and letters were sent to all the clergy offering such aid. However, as the Treasurer's report reveals, disappointingly little interest in such help was evinced by the Parishes and Missions.

Officers for 1944: Chairman, Miss Lily Cheston; Vice-Chairman, Mrs. John Lear; Recording Secretary, Mrs. Eugene G. Stratton; Corresponding Secretary, Mrs. I. P. Gloninger; Treasurer, Mrs. Ralph Putnam.

## CONVOCATION OF NORRISTOWN

The Vicars have ministered faithfully during the past year. Conditions due to the war have taxed the efforts of both Vicars and members at both Hatboro and Lansdale. While it has brought new people into these communities, it has also caused older families to move elsewhere.

Through the efforts of both Vicar and people at Lansdale, the remaining indebtedness on their fine Parish House has been paid. They are now striving for the goal of Parish status, which they hope soon to attain.

The Mission at Royersford is given the Church's ministrations by the Rector of St. Peter's, Phoenixville. A faithful Lay Reader carries on the morning and evening prayer services and the Church School. The Vicar at Emmanuel, Quakertown, has strongly entrenched himself in the life of that community and is ministering to smaller groups in nearby towns as well as to many families in rural sections.

St. Anne's, Willow Grove, now has the Rev. Paul A. Phipps as Vicar, taking the place of the Reverend Dr. Lee, in charge of St. Mary's, Ardmore. Trinity, Gulph Mills, has likewise a change in Vicars by reason of the resignation of the Rev. Caleb Cresson. The new Vicar is the Rev. Frank Nikel, who is most energetically striving to gather in the new people coming to this rural locality and at the same time repair the physical fabric of the Mission.

During the year, St. Peter's, Glenside, a Mission situated less than a mile from St. Peter's, Weldon, was closed and the building sold. The Church School was moved to the Parish Church, since all members belonged as communicants of that Parish. A survey has been made of a section two miles away from the old Mission and it is hoped that a new work will shortly be started in this area.

## CONVOCATION OF NORTH PHILADELPHIA

There have been a number of changes among the clergy of the Convocation during the year. The Rev. Charles M. Coldren and the Rev. David C. Colony have become Chaplains in the Armed Forces. The Rev. Tollie L. Caution has accepted a new charge in New York, and the Rev. John R. Crockett is now Rector of the Parish in Riverton, N. J.

The new Rector at St. Augustine's is the Rev. William D. Turner, and at St. Paul's, Aramingo, the Rev. W. A. Thompson. St. Nathanael's is now under the direction of the Rev. Charles B. Mauch. The Rev. Gideon Montgomery has become *locum tenens* at St. Luke's, Kensington. The Rev. Robert Harris has become Priest in Charge of the Annunciation, and Vicar at St. Christopher's. The Rev. Delber W. Clark has been elected Rector of St. John's, Chrysostom.

The Convocation has suffered a great loss in the death of Mr. D. Frank Wilcox, Lay Reader in charge of St. Barnabas, Kensington. Mr. Wilcox had done a great work at St. Barnabas and was loved by everyone. The work is at present in charge of Mr. Ronald Wiley, a student at the Philadelphia Divinity School.

During the year, religious surveys were made of the three government housing projects within the Convocation: the Venango project was surveyed by Mr. Chris Wyld, the Allen Homes by the Rev. Louis W. Johnson, and the Johnson Homes by Mr. Paul Washington. Permission and aid was given by the housing authorities, and the Church is grateful for their co-operation and assistance. As a result of the survey, Mr. Johnson has begun a Sunday School near the Allen Homes, meeting in St. Martin's Chapel of the Christian Settlement.

## WOMAN'S AID TO
## THE CONVOCATION OF NORTH PHILADELPHIA

In reviewing the year just closed I am indeed grateful for many things—splendid, faithful officers; a helpful, co-operative Executive Committee; larger attendance at the meetings; interesting speakers from various committees and organizations, and the very helpful and sympathetic direction of our Dean, Very Rev. John K. Shryock.

In July we were saddened by the passing on of our beloved Bishop, the Rt. Rev. Francis M. Taitt, who served this Diocese so wisely and faithfully for fourteen years. We do not grieve for him selfishly for we think of his joy when he stepped ashore and found it heaven, when he reached for a hand and found it God's hand.

We are happy and grateful to have the Rt. Rev. Oliver J. Hart as our Bishop and leader and cheerfully accept his challenge to grasp our "dangerous opportunity" of service.

During the year a Morning of Prayer and Meditation and a Quiet Day were held, both fittingly conducted. Truly these days are of deep spiritual value and benefit to all of us.

In lieu of the Garden Party, sacrificial offerings were made by the delegates and the Auxiliaries of the Parishes and Missions, also interested friends, and presented at a very beautiful service at St. James's Church, conducted by the Dean and the Rev. Benjamin Priest, Rector of St. James's. After the service tea was served in the Parish House by the women of the Parish. We are most grateful to them for their gracious hospitality.

Again, thank you all for your loyal support. Without you there would be no report.

MARY P. HARRISON,
*President.*

## CONVOCATION OF SOUTH PHILADELPHIA

Amid the dislocation caused by the present world war, the work of the Church in South Philadelphia has gone on steadily during the year 1943. Already in the majority of our congregations, its baneful influence has been felt, as hundreds of young men—many of whom were actively and purposefully engaged in Christian work in happier days—have now answered the call and joined the colors.

The result is apparent everywhere; but we are happy to say that in spite of restrictions and a depleted personnel amongst their helpers, the clergy have carried on with assiduity and, we believe, with good results.

No one dare attempt to forecast how long the abnormal conditions, following in the wake of the war, will continue. It remains for all of us to renew our faith in the providential dealing of God with the world, and leave the arbitrament of man's problems to Him.

One or two things are worthy of notice.

The American and Italian work was consolidated during the year at St. Mary's Church, Broad and South Streets. Dr. Emhardt resigned on pension, and Rev. Thomas E. Della Chioppa was appointed, with the approval of the Bishop and congregation, to minister to the united group. There has been evidenced genuine activity amongst the members of this Church, whose people are showing real desire to maintain their standing in the Diocese.

Rev. Gustav C. Meckling, in charge of the work at the Chapel of the Transfiguration, reports that in 1943 the Mission services were better attended than in former years. He points out that as this is a purely missionary work in which the Mission has not one complete Episcopal family (that is, one where all the members are communicants of the Episcopal Church), one can begin to appreciate that the work of our Church is becoming more and more integrated into the lives of the people. He illustrates this by pointing out that women of the Mission raised for missionary work during the year $463.98. For the first time in its history, the offerings reached their highest point. Evaluation, he says, is not easy. A finan-

cial report with its statistics give only part of the picture. The spiritual side on the other hand is concerned with the bringing of the Son of God into the lives of the people, and of course it must be regarded as the all-important object of the Mission's being. Though the community may be small, and largely foreign in its composition, Mr. Meckling feels that it enjoys the respect of people of every faith. Many Jews and Roman Catholics, while they do not attend the services, do support its activities.

Work at the Chapel of the Hard of Hearing continues satisfactorily, and with the release of hearing aid equipment at the close of the war, there will be an opportunity to grow and to afford the opportunity to reach out to more and more people.

At Holy Spirit Mission, the Rev. John R. Logan, Jr., carries on with fidelity to duty amongst a group of colored young people, who attend Sunday School in the Parish building of All Saints Church, 11th and Moyamensing Avenue. The Sacrament of the Holy Communion is administered periodically.

Rev. Francis B. Roseboro, in charge of St. Elisabeth's Church at 16th and Mifflin Streets, says there was nothing of great interest to report for 1943. He points out that for the year 1943 there had been a large decrease in the financial support which he received from outside sources. On the other hand, there had been a corresponding increase in the money given by the congregation. The sum of $4,094.09 mentioned in his report includes $598.70 from outside sources, but does not include $176.60 for Diocesan Assessments, nor $510.50 given to Missions—a total of $687.10. He has revised the Communicant Roll, and persons who had not shown any congregational life for two years had been placed on the inactive list.

In conclusion, the Dean wishes to express his very sincere thanks to the clergy in the Convocation for their splendid co-operation in the work. He desires to pay his tribute of respect to the zeal and constancy they have displayed in the maintenance of the Church's work amid the flux of the present hour. I would also wish to express heartfelt thanks to the

members of the Woman's Aid for their loyalty. What would the Church of God do without its women!

FRANK BONYNGE,
*Dean.*

There is no financial report as no money has passed through the Dean's or Treasurer's hands during the year.

## WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

In 1943, the Woman's Aid of the Convocation of South Philadelphia had as its special goal the interesting work carried on amongst the Italians connected with the Church of St. Elisabeth, 16th and Mifflin Streets, by the Rev. F. B. Roseboro, ably supported by Miss Eleanor Deane. As elsewhere, the abnormal conditions created by the national rationing program, coupled with rising prices, deterred us from holding the usual Garden Party as in former years. After fruitful discussion, the delegates decided that each Church in the Convocation should be asked for a money gift instead of the food for the party which they had given in previous years.

This plan proved successful, and $333.50 was handed over to Father Roseboro for his work. Our venture of faith, under the providence of God, was thus well rewarded.

At the January meeting, the topic under consideration was "Latin America." Under the leadership of Miss Ruth Custis Kitchen, District Chairman of Christian Education, we were taken on a graphic tour and given a fine picture of conditions prevailing in countries south of this continent.

At the afternoon meeting of the Woman's Aid, the speaker was a representative from the Church of Canada—Miss F. H. Eva Hasell, Order of the British Empire, who spoke on the Sunday School Caravan Mission of the Church of England in Canada. Fine movies introduced us to many of the out-of-the-way places visited and covered by Miss Hasell's work.

Mrs. Frederick S. Fox sent in a splendid report of work done by the Elizabeth Price Martin League at the Philadelphia General Hospital. For the patients, she had received 407 gifts and $32 in cash from the following churches: All Saints, Crucifixion, Hard of Hearing Chapel, Holy Apostles, Holy Communion, Prince of Peace, St. Paul's Memorial, St. Peter's and Transfiguration.

At the May meeting, Mrs. George Augustus Trowbridge, St. Paul's, Chestnut Hill, spoke on the timely subject of Christian Social Relations in an interesting way.

The Woman's Aid supported the Educational Day for the Blind with subscriptions of $146.55.

Under the inspiring leadership of Mrs. Frederick W. Blatz, the Needlework Guild raised $65.77 and contributed 865 garments.

At the October meeting Rev. F. B. Roseboro reported on the uses to which the money given to him in the earlier part of the year had been put.

Mrs. C. William Spiess dealt with the work carried on at St. Stephen's Service Club and acknowledged with thanks practical support given to her by Churches in the Southern Convocation.

It was with the deepest regret that we heard of the death of a faithful delegate—Mrs. Eulalie Carter, of the Church of the Crucifixion, whom we shall miss. "The souls of the righteous are in the hands of God."

In conclusion, I wish gratefully to acknowledge the splendid support which I have received from all the delegates. Their co-operation with me has been magnificent. God bless them all.

*President.*

## CONVOCATION OF WEST PHILADELPHIA

In spite of many adverse conditions incidental to the war, the work of the Church has been carried on in the three Missions of the Convocation. Early in the year the Rev. John Q. Martin resigned as Dean to accept a Chaplaincy in the Armed Forces, and at the May meeting the Rev. C. E. Snowden was elected to fill the unexpired term.

During the past year we have attacked one problem and made definite progress in solving it. It had been the custom to permit missionaries to live long distances from their work. This we attempted to remedy in the instance of St. Titus Mission, by the purchase of a rectory at the cost of $4,500.00. The Parishes and the Missions gave $2,000.00, and contributions from Bishop Taitt and Bishop Hart plus aid from the Church Foundation paid for the house.

With the development of the air field in this location there are signs that this community may change and our work enlarged. With the purchase of the rectory, we have contributed definitely to the permanency of the intentions of the Church in this area.

We are now engaged in seeking a rectory for the Vicar of St. Monica's and St. Cyprian's. The Rev. Arthur Moore has lived in Germantown for many years and he is anxious to be closer to his work.

St. Monica's Chapel is not favorably situated, but it is doing an excellent piece of work among the colored people. We wish it were possible to have Mr. Moore give his full time to this Mission and that day may soon come. St. Cyprian's Mission is located in Eastwood and is an important work, though it may not be as large.

The Convocation would not be able to assume its responsibility if it were not for the splendid co-operation of the Woman's Aid. Their report is made under a separate title.

C. E. Snowden,
*Dean.*

## WOMAN'S AID TO THE CONVOCATION OF WEST PHILADELPHIA

In spite of extra demands of war work, Red Cross, etc., the three stated meetings of the "Woman's Aid" were well attended. The response to the Quiet Day, led by Father Stephenson, at St. Paul's Church, on February 15th, was very encouraging, with approximately fifty women attending.

A very successful Educational Day was held in January at the Church of The Saviour. The speakers were Deaconess Newbold and Mrs. George Trowbridge.

The "Woman's Aid" contributed to the Vacation Church Schools, also towards further repairs at St. Monica's Mission and towards the purchase of a rectory for St. Titus.

Thanks to gifts from some of the West Philadelphia churches, from the Diocesan Committee, from plate collections at our meetings, and from some friends, the Christmas beneficence was continued as usual under the able guidance of Mrs. James Campbell, Chairman of Social Service.

At the Annual Meeting in January the present officers were re-elected to serve another term of two years.

West Philadelphia is indeed fortunate in having such an intelligent, kindly leader as Rev. Chauncey E. Snowden for its new Dean. The "Woman's Aid" pledges itself anew to go forward, witnessing to the power of God.

## REPORT OF THE DEPARTMENT OF PROPERTY

The activities of the Department for this year have been quite varied. The Department of Finance referred the matter of refinancing the mortgage of St. John's Free Church to the Department. This was arranged through outside agencies. Sundry repairs to the Church House were made in accordance with the budget.

At the request of the Chairman, the Department of Missions gave us an account of the money spent for emergency repairs to Missions in 1942, as a guide for the current year.

Repairs for St. George's, Richmond; St. George's, Venango, and All Souls for the Deaf are now pending.

Complete exemption from taxation for St. Monica's Mission, West Philadelphia, was finally obtained.

At the request of the Dean of the West Philadelphia Convocation, a rectory for St. Titus' Mission was purchased at 8545 Eastwick Avenue and settlement made.

RONALD J. MCCARTHY,
*Chairman.*

## REPORT FOR DEPARTMENT OF PUBLICITY

As Chairman of the Department of Publicity I took office early in the summer of 1943. The Department has functioned without a full-time Director, under the able direction of the Rev. Charles H. Long, assisted by Mrs. Edyth Bennett Deakyne. All news releases have been sent to the press authorized by Mr. Long. Due to war conditions and the acute shortage of paper, the Bishop's weekly calendar has been cut by the press. The Department wishes to record its appreciation for the co-operation it has received through the year from clergy, laity and the other Departments of the Council.

### THE CHURCH NEWS

*The Church News*, as the official organ of the Diocese, was published monthly except in June, July, August and September, and every effort was made to maintain the high standard established long since. Advertising was kept at a good average.

Circulation was maintained at an average of better than 4,500 per month, under the direction of Mrs. Edyth Bennett Deakyne as Business Manager and Advertising Director. The Rev. Henry S. Paynter, Editor of "In the Diocese," which appears each month in *The Church News*, has been appointed News Correspondent from the Diocese for *The Living Church*. The Rev. George Copeland was appointed Editor-in-Chief of *The Church News* by the Bishop.

### CHURCH EXTENSION CALL

Church Extension Fund Calls were issued in the Spring and Fall of 1943. This service has been discontinued for the time being by order of the Bishop.

### CUT SERVICE

The cut files and pictures of the Department were found useful by many Parishes and Missions throughout the Diocese.

EDMUND H. CARHART,

## COMMISSION ON RECRUITING FOR THE MINISTRY

One of the subjects which this Commission has been considering is what approach should be made to men after the war who are interested in studying for Holy Orders and what training can be provided for them? A large part of one of our meetings was devoted to a discussion of this subject, and a special committee was appointed to study the subject and report at a future meeting. We think this a very vital subject and hope to be able to reach some worthwhile conclusions.

At the Diocesan Winter Conference the Commission held a conference on "The Ministry of the Church" with the Reverend James C. Gilbert as leader, with several Clergy invited to present certain aspects of the subject. Six young men from as many Parishes attended. The leader and the Commission considered it so profitable that it was decided to hold a similar conference at the Winter Conference of 1944.

Another conference for boys of high school age was held Saturday, May 29th, at St. Paul's Church, Overbrook, through the courtesy of the Reverend Chauncey E. Snowden, with an attendance of twenty-seven. The conference began at noon with a short meditation and devotions, followed by a luncheon at which those in attendance were guests of the Commission. The subjects presented at the afternoon session in fifteen-minute addresses by different Clergymen, and discussed by those present were: "The Minister and the People," "The Minister and the Community," and "The Minister and God."

With the fund allocated to the Commission by the Executive Council eight students were assisted in meeting their seminary expenses, one of whom was a student at the General Seminary, two at the Virginia Theological Seminary, two at the Philadelphia Divinity School, two at the Episcopal Theological School, and one at Nashotah House.

## Report of the Registrar, 1944

The canonical duties of the Registrar have been duly performed through the year, and the statistical records of the Diocese, viz.: Episcopal Acts within the Diocese, list of clergymen canonically resident, and of all Churches, Chapels, or Mission Stations of the Diocese, with a description of their location and property, appear in their proper places in THE JOURNAL.

Numerous requests for certificates of Holy Baptism and of Marriages and Burials, and information of historical and biographical character have been complied with in so far as the records were available.

It is of vital importance that official books and documents, not historical data, of former Diocesan Institutions or Parishes now dissolved, be deposited for safe-keeping with the Registrar, as directed by the Canons. This does not apply, obviously, in cases of merged Parishes.

Governmental War Authorities request that wherever possible the Seal of the Parish issuing them be placed upon all certificates of Holy Baptism and of Marriage.

Respectfully submitted,

H. W. GERNAND,
*Registrar.*

## Report of The Church Foundation to The Annual Convention of 1944

As of December 31, 1943, The Church Foundation had on its books a total fiduciary responsibility of $1,910,185.92 as expressed in money, consisting of properties, securities and uninvested cash. However, in this is a total of $253,472.92, net value, of Church properties to which we hold title, chiefly the Church House and the new St. Giles', Stonehurst, plant, and 118 Church properties on our books at $1 each, leaving income-producing securities and cash of $1,656,113, all values being book values. Of the above total United States Government securities represented $233,897.77 at cost. At the present time, $885,191.89 is invested in our Consolidated Investments Fund, units, or shares in said fund taking the place of other securities in the several funds. The remaining $770,922 not in the Consolidated Fund consists of bonds, mortgages and real estate and miscellaneous investments not suitable for inclusion in said fund and retained in the several funds until such time as they may be sold and the proceeds used for purchase of units in the Consolidated Fund, in which all funds will eventually be totally invested except a very few where we are restricted to "legals," or in which the principal is subject to withdrawal.

At the end of 1942 we had 79 mortgages paying currently, and amounting to $315,128.31, whereas at the end of 1943 we had only 50, amounting to $244,737.93. At the end of 1942 we had 48 rented properties, with a book or cost value of $225,383.03; at the end of 1943 we had 30, with a cost value of $139,418.75. At the present time we have only 14 such properties with a cost value of $55,848.54. In many cases, but not all, such sales resulted in substantial writing off in book values which, in the case of foreclosed mortgage real estate represent the amount of the mortgage investment plus

the cost of foreclosure and reconditioning and are therefore unreal. This writing off in book values as real estate is sold is the chief reason why the total investments in The Church Foundation have not shown a larger increase in the last few years. But the values are coming more and more to represent real, rather than fictitious ones, as the proceeds of such sales are used in the purchase of units in the Consolidated Fund in which they are invested in bonds and stocks, which are not subject to the inevitable depreciation and obsolescence of investments in buildings. Every building, without exception, is a depreciating asset and therefore has no proper place in the investments of trust funds unless provision is made to offset such loss in value, which is almost never done. We are getting better prices than for the last fifteen years and by selling are avoiding having to spend the large amounts for repairs which would be necessary if we held them much longer.

### The Consolidated Investments Fund

The purpose and method of operating of The Church Foundation Consolidated Investments Fund were explained in our report last year. As stated above, it has now reached the sum of $885,191, and is made up of $70,000 cost value, in U. S. Bonds (included in the figure of $233,897 Governments given above) and of $573,176 of other corporate bonds, and of $230,105.80 of preferred and common stocks, and $21,336 cash, the stocks constituting about 25½% of the total. The Fund has not been in operation for a full year as yet, but the earnings for the first quarter of 1944, before deduction for administration expense but after deduction of 5% reserve for amortization of bond premiums, were at the rate of 3.85%, or 3½% net to the beneficiaries. Income is calculated quarterly, including accrued income on bonds, and distributed to the unit-owning funds, which results in an almost uniform amount each quarter, a great advantage to the beneficiaries, as they will not be subject to the disagreeable surprises which they heretofore sometimes had when some security failed to pay, or some mortgagor defaulted or large sums were needed to repair a rented property. Even the results of having to reinvest at lower rates of interest will be spread over the whole fund and over a considerable period of time.

The setting up of this Fund, although including only a little more than half of our investments, saved us $1,700 in fiscal agent charges last year. This was fortunate, as otherwise, due to the increased costs of doing such work the compensation of the fiscal agent would have had to have been materially increased, but because of such saving in work the increase was only a few hundred dollars.

A very important advantage for the care and investment of parish or institutional funds which The Church Foundation has to offer in comparison with any trust company is the fact that The Church Foundation is not limited as to the amount or part of any one fund which it may invest through its Consolidated Fund. This is not the case with trust companies, because they, by a ruling of the Federal Reserve, are not allowed to place more than $25,000 of any one trust fund in their common trust funds, to a very large extent destroying the usefulness of the latter. They can put in all of a $25,000 fund, but not more than that amount of a fund of one or more millions. Such a ruling, which manifestly has no relation to safety, does not apply to The Church Foundation, and if we continue to have this freedom it will not be very long before all the funds in trust with us will be invested in shares of a fund not far short of two million dollars, and widely diversified. The advantages of such an arrangement are incalculable, and, among others, that it makes supervision by the Committee on Investments easy and thorough.

### Administration Expense

A great deal of misunderstanding has arisen in regard to the increased charges which all large trust companies are making for the management of trusts of this kind, because people think of percentages rather than of actual amounts of money to be paid for the services. For example, in the days of a 5% return on investments a $10,000 fund would produce an income of $500, and 5% commission on that would give the trustee $25. But if the return is only 3% the income is only $300, and 5% on that only $15, a drop of 40% in the compensation of the trustee, for the same amount of work. Of course that is an impossible situation, and if the $25 was

right, the commission must be increased to over 8% on income to produce the same compensation. But the beneficiary is apt to feel outraged if the commission or charge is raised to 8% or higher. But he is quite unreasonable in such a reaction. True, he now receives $275 instead of $475, but that is entirely due to the return being 3% instead of 5%, that is, a $200 loss in income from the investments and nothing can prevent that loss falling on him, although he is apt to think that shouldn't happen to him. But it does and will. Percentage charges for services rendered are entirely irrational where the base upon which they are to be calculated is subject to unpredictable changes, and it is in the cards that some other method than that of percentages on income will be adopted for charges for trust services. In fact, they are being adopted.

The fact of the matter is that for a number of years The Church Foundation has been giving its beneficiaries and their interests not only the complete safety of their investments due to their being in the custody of a large trust company and their real properties and mortgages handled by that company, but also the active oversight and investment management of the members of the Board of Directors of The Church Foundation and the full-time service of its executive officer. But they have only paid for the services of the fiscal agent. That is not a condition which can be counted upon to continue indefinitely. To do so would be unfair both to the Directors and the beneficiaries. It would not be fair to the Directors because they have a very real responsibility as Trustees in charge of nearly two millions of funds and ought to be made able to employ a competent person to be constantly on the job to protect them by seeing that all things are attended to as they ought to be. And it is not fair to the beneficiaries because there can be no guarantee that their interests will be properly looked after without such an administrative set-up. But those who must bear the reasonable cost of such administration are manifestly those whom The Church Foundation serves. And included in that category is the Diocese, for The Church Foundation has been made the title-holder of all the Diocesan properties, which includes those of the Missions, and has the custody of the insurance policies and keeps a live record of

the same and their coverages, valuations and expirations. This involves the executive of The Foundation in a surprising amount and variety of services. Were it not for this work the expenses of the Executive Office in the Church House would be substantially increased. Plans are in the making by the Bishop, The Church Foundation and the Executive Council for meeting this problem without any increase in Convention and Diocesan Expenses or any Convention action.

FOR THE BOARD OF DIRECTORS

F. C. HARTSHORNE,
*Executive Vice-President.*

## Commission on Rectors' Salaries and Pensions

The Rectors' Salaries and Pensions Committee has been functioning in the Diocese since 1921. From time to time, it has seemed wise to direct the attention of the members of the Diocesan Convention to a brief review of this work, its purposes and objectives, and the methods used to attain these ends.

The primary purpose grew out of the definite need to provide a minimum salary for every Clergyman working in the Diocese that would be adequate for living expenses. This minimum took into consideration the length of time of ordination and the fact of a Clergyman being single or married. After five years in the Ministry this minimum salary became $2,100, and a house or provision for it. The Commission was charged to provide out of a fund known as the Sustentation Fund, eventually raised by an assessment on all Parishes and Missions, such a sum of money as would increase the aided Parishes giving to their Rector's stipend to make the same $2,100. The Commission was further charged to confer with the Parishes in an effort to have their Congregations stimulated to as large a giving as possible.

The Convention of 1921 had thought it might need $50,000 to achieve this end, but this proved to be too large a sum, and the good work of aiding Parishes to give their Rector this new minimum required some $37,000. From that time on, the amount of money needed has decreased yearly, except for some increases in the years 1933-1934. The year 1931 was the occasion for the smallest sum required, $8,380, for aid to ten Parishes. Not only did the Lay Members largely gather the original fund together, but from the beginning they have felt it their duty to confer with Rectors and Vestries and Congregations, seeking to help them find ways of greater helpfulness for themselves.

For a number of years past, the Commission has required of all Parishes asking for a grant to submit a budget for the year ahead and a clear statement of expected income from every possible source. There has also been required an Every Member Canvass. Both the Clerical and Lay Members of the Commission have given aid in stimulating this latter work, have helped those in authority in Parishes to explore every avenue of effort to increase giving and reduce expenditures, and have instilled the hope of making yearly decreases in the amount asked for, so that eventually the Parish would again be entirely self sustaining. The efforts on the part of the members of Commission have met with wholehearted cooperation and success in nearly every Aided Parish. It would be impossible to narrate the many problems faced by Parishes where there has come a shifting of population, changes of neighborhood, loss of industries that employed the members of the Congregation, sicknesses and catastrophies in the lives of Rectors which put a burden too heavy to be borne by the Parish, and a host of others.

Very often the need of a grant from this fund is not for a long period. Aided Parishes might well be classified as those having a temporary problem and those where the conditions causing the difficulty are seemingly of a permanent character. A careful study of the Aided Parishes during 1942 reveals the fact that many might be termed as having a financial problem of long standing, yet these Parishes are ministering to a large number of Communicant members of our Church and are helping to build up the Kingdom of God in their respective location. The following statistics gathered from the Parish Reports in the Journal for 1942 reveal that the twenty Parishes aided by grants in 1942 have 5634 Communicant members, 2592 members in the Church School, 268 Baptisms, 208 Confirmations, gave or raised over $90,000 themselves, and have Church property valued at $1,753,183.

The above figures reveal the fact that the Aided Parishes of the Diocese of Pennsylvania exceed in many ways a number of Dioceses in our Church. As one member of the Commission stated on a previous occasion when this work was reviewed, "Such are not the signs of death but of life." To this must

be added the cheering note, that some six Parishes asked for a decreased grant and three Parishes assumed full responsibility for their Rectors' salaries in 1943.

The increased cost of living made it necessary to give a grant of $100 to each Rector receiving the minimum salary in addition to the sum asked for by the Parish. This was in line with similar grants made by the Diocese to all Vicars of Missions. This year a special fund is in process of collection to again augment the salaries of all Vicars and Rectors of Aided Parishes. For these many years past the Diocese of Pennsylvania has made possible adequate salaries for the Clergy in Parishes that have sustained financial reverses and thereby have maintained ministrations to thousands of Communicants as well as adding many souls to the Kingdom of God. And the members of this Commission have been untiring in their efforts to carry out the responsibilities placed upon them by the Convention, having regard for both the Clergy and Aided Parishes on the one hand, and the safeguarding of the Diocese on the other.

The matter of caring for the Pensions of the Clergy has been another duty of the Commission. The course of securing full cooperation in the payment of the Clergy Pension premiums has closely paralleled the work of aiding the Rectors to receive the minimum salary. Some years ago as much as $2,000 had to be paid out to safeguard the Clergy of the Diocese and their widows in this matter. For the past five or six years not a dollar had to be advanced. Last year it was necessary to advance a sum just over a hundred dollars, which was done in protection of the widows of Clergymen whose husbands might have died during the year.

Respectfully submitted by the Commission on Rectors' Salaries and Pensions.

JAMES M. NIBLO, *Chairman.*

## APPENDIX J

### Report of the Committee on Relation Between Convention and Diocesan Institutions

The Convention of 1942 approved the appointment of a Committee to make a detailed study of all Diocesan Institutions in order that their relation to the Diocesan Convention might be determined.

The Committee has secured copies of the Charters, By-Laws and other publications of most, if not all, of these organizations and has discussed the entire matter with the officers of the Institutions so studied with members of the Diocese who are interested in the matter and with the Bishop of the Diocese.

The task has not been an easy one. However, as a result of the various discussions the Committee has come to a realization that there are many details still to be studied and very much research work still to be done before any definite and satisfactory conclusion can be reached and any concrete suggestions made.

Therefore, the Committee offers the following Resolution:

RESOLVED, That the work of the Committee be continued and that the Convention authorize the Bishop of the Diocese to make such changes in personnel as he may deem necessary.

Respectfully submitted,

J. JARDEN GUENTHER,
*Chairman.*

## APPENDIX K

### Report of the Cathedral Chapter

The regular schedule of services has been carried on at the Cathedral Church of Christ on Sundays and other holy days during the past year. While travel facilities have cut down attendance of people coming a distance, there is a marked improvement in the numbers attending from the close-by neighborhood. No new building effort can be made during the war, but plans are in hand for further development of the physical fabric when such is possible.

Two events during the past year should be recorded. The first was the death of our late Diocesan, the Rt. Rev. Francis M. Taitt, and his burial within the Cathedral. The body is temporarily placed in the Crypt opposite the one containing the body of Bishop Garland. The Chapter had promised Bishop Taitt, that, when the Choir is completed and the high Altar erected, his body should be interred immediately back of this Altar.

The second event of great interest was the enthronement of our Bishop, the Rt. Rev. Oliver J. Hart, D.D., S.T.D., LL.D., at the Cathedral on St. Matthew's Day, September 21, 1943. This was the first time a Bishop of Pennsylvania had been officially seated in his Episcopal Chair or enthroned, in his own Church, the Cathedral of the Diocese. The building was crowded with Clergy and other members of the Church, many having to remain outside during the service.

It is hoped that the day will soon come when several of the Conventual buildings may be erected, in order that the Cathedral may be used for group gatherings, conferences, retreats and quiet days. Full title to the larger part of the property has not yet been acquired, but it is hoped this will be concluded during the year.

Respectfully submitted,

JAMES M. NIBLO,
*Registrar.*

## Report of the Forward in Service Commission

During the past year the Commission has continued its co-operation with existing Diocesan agencies and has suggested special committees only when necessary to carry out specific work not already being done.

Several new members have been added and the Rev. E. Felix Kloman's resignation from the Commission was accepted. On Motion, at a meeting of the Commission, an Advisory Committee was appointed, consisting of:

The Rev. Stanley V. Wilcox
Mrs. Francis R. Packard
Mrs. Alfred M. Chapman
W. Parke Heston
William E. Hetzel, Jr.

In June, 1943, the Annual Clergy Conference was held at the Episcopal Academy, under the leadership of Bishop Hart. As a personal representative of the Presiding Bishop, Dr. Tucker, the Rt. Rev. Henry W. Hobson, D.D., spoke on the general plans for the winter of 1943-44.

The 1943-44 topic was "Christian Community Service" and the Commission issued a printed Schedule emphasizing the various details of the Program. The Schedule also gave a listing of many of the Diocesan events as arranged by other Commissions and organizations. In this connection there was listed a number of books dealing with the general theme for the year and a series of suggestions as "helps" for planning the year's work.

In September the Autumn Clergy Retreat was held at Holiday House, Sellersville, conducted by the Rev. A. Appleton Packard, O.H.C.

In November the Rev. Frederic S. Fleming, D.D., addressed a meeting in Holy Trinity Church, substituting for the Rev. Leicester S. Lewis, D.D., who was ill.

A Pre-Lenten Quiet Day and Conference was held at the Church of The Redeemer, Bryn Mawr, when Bishop Hart gave a series of Meditations and held an informal discussion of Diocesan matters after lunch.

At this Conference the topic for Lent, "The Christian Doctrine of Man," as outlined in the Plan of Action, was presented and the Commission was much encouraged by the number of men who made use of the printed material.

Although the study for a Just and Durable Peace is an integral part of the national program a special Committee, under the able leadership of Louis M. Washburn, has been developing the subject. The Commission is also co-operating with the Inter-racial Committee of the Department of Christian Social Service, under the experienced guidance of the Rev. Thomas A. Meryweather, Chairman.

In November, 1943, the Very Rev. John K. Shryock, Ph.D., resigned as Chairman and the Bishop appointed the Rev. J. Jarden Guenther to succeed him.

An office has been opened at the Church House where the Chairman may be consulted on Mondays, Wednesdays and Fridays, and there is a display of all Forward Movement literature. As rapidly as possible copies of all Forward in Service publications will also be on hand. The Commission wishes to thank the Department of Christian Education for maintaining a supply of material for sale. It also expresses its appreciation of the help rendered by the Staff at the Church House.

For many years the Commission has had the co-operation of the Retreat Association of the Diocese to assist in the development of the certain features of its work. Recently, it has seemed wise to make the activities of the Retreat Association an integral part of the work of the Commission.

In presenting this Report the Commission asks the Convention to renew the appropriation of $500.00 and to allow an additional $200.00 now that the Retreat Association is definitely a part of the program, or, a total appropriation of $700.00.

Therefore, the following Resolution is offered:

RESOLVED, That Convention appropriate from the Convention-Diocesan Expense Fund the sum of $700.00 for the combined work of the Forward in Service Commission and of the Diocesan Retreat Association.

Respectfully submitted,

J. JARDEN GUENTHER,
*Chairman.*

## Report of Committee on Charters and Proposed By-Laws for a Church Corporation

The Committee on Charters has considered the application of The Church of St. James the Less for approval of certain amendments of their Charter changing some of the qualifications for Vestrymen and making certain other changes.

The Committee finds: That the amended Charter is in proper form, being substantially that of the Approved Form of Charter, that it has had the approval of the Vestry and the Congregation of the Church of St. James the Less, and that it has been approved by the Bishop and the Standing Committee.

The Committee on Charters concurs therein and recommends that it be approved by the Convention, offering the following Resolution:

RESOLVED, That the amendments to the Charter of "The Church of St. James the Less" be approved and that permission be granted to apply to the proper Court to grant the same.

Respectfully submitted,

WALTER C. PUGH,
*Chairman.*

SEC. 2. The Vestry, by a vote of two-thirds of all its members, shall have power to make, alter, and amend or repeal By-Laws for the management of the property of the Corporation and the regulation of its affairs, provided, that the foregoing powers conferred upon the Vestry respecting the By-Laws shall be subject to the power of the members of the Corporation to change or repeal the same as provided by law. All alterations, amendments, and repeals of the By-Laws by the Vestry shall be proposed in writing at a meeting not less than fourteen days before the meeting at which final action thereon is taken.

## NOTES

1. This form of By-Laws is designed for use with the Form of Articles of Incorporation for Parishes approved by the Convention in 1937, more frequently referred to as the Model Charter. Care must always be taken that By-Law provisions are not contradictory in any respect to the provisions of the charter.

2. It is recommended that this provision be included in the By-Laws although it is repetitious of Article 3, Section 1, of the Model Charter. It is not necessary to the validity of the By-Laws that this provision be included.

3. The amount inserted here must conform with the amount, if any, in the charter. In the Model Charter the amount suggested is $5. See Article 6, Section 1, of the Model Charter and Footnote 7 thereunder.

4. The election of vestrymen need not necessarily be held at the same time as the annual meeting of the Corporation.

5. No change in the phraseology of this provision should be made without benefit of legal advice.

6. Pursuant to Article 7, Section 2, the Accounting Warden and the Rector will prepare a list of qualified voters and submit it to the judges of election prior to the time of the election for their use in determining who is qualified to vote for Vestrymen.

7. This provision is in conformity with Article XVI, Section 4, of the Constitution of Pennsylvania and with Section 606 of the Nonprofit Corporation Law which requires that in the election of Vestrymen the members shall have the right of cumulative voting.

8. Some percentage of total membership, such as "one tenth," may be filled in this blank.

If less than a quorum attends the meeting in person, the meeting for the election can be adjourned. Section 605 of the Nonprofit Corporation Law provides, in this connection:

"Section 605. Quorum of Members.—A members' meeting duly called shall not be organized for the transaction of business unless a quorum is present. Unless otherwise provided in the articles or By-Laws:

"(1) The presence in person or by proxy, if the By-Laws permit voting by proxy, of a majority of the members entitled to vote shall constitute a quorum.

"(2) The members present at a duly organized meeting can continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

"(3) If a meeting cannot be organized because a quorum has not attended, those present may, except as otherwise provided in this act, adjourn the meeting to such time and place as they may determine, but in the case of any meeting called for the election of directors those who attended the second of such adjourned meetings, although less than a quorum as fixed in this section, or in the articles or By-Laws, shall nevertheless constitute a quorum for the purpose of electing directors."

9. The last clause requiring written nominations of candidates for the vestry prior to the time of election is to be omitted if the alternative procedure under Article 2, Sections 2 and 3, is used.

10. The provisions inserted here must be consistent with the corresponding provisions of Section 6 of Article 7 of the Model Charter. See Footnotes 10 and 11 under the Model Charter.

Of course, if this alternative procedure is adopted by amendment to an existing charter, the effective date would be the date of the amendment rather than the date of the charter.

11. A quorum may be made dependent upon a majority or the presence of a specified number. In determining what proportion or how many vestrymen shall constitute a quorum, reference should be made to the total number of Vestrymen as provided in Article 7, Section 6, of the Model Charter. Attention is also directed to the following provisions of Section 502 of the Nonprofit Corporation Law:

"Section 502. Number, Qualifications and Election of Directors. —Except as otherwise provided in the articles or By-Laws:

* * * * *

"(f) A majority of the Directors in office shall be necessary to constitute a quorum for the transaction of business, and the acts of a majority of the Directors present at a meeting, at which a quorum is present, shall be the acts of the Board of Directors: Provided, that if all the Directors shall severally or collectively consent in writing to any action to be taken by the Corporation, such action shall be as valid corporate action as though it had been authorized at a meeting of the Board of Directors."

12. This section must be consistent with the corresponding section of the charter. See Article 7, Section 2, of the Model Charter and Footnote 9 thereunder.

13. Not all parishes will require all of the committes here mentioned. Some may find it convenient to have additional committees, such as a Committee on Cemetery, etc. If the Corporation owns or is to own cemetery or burial lots, whether under the charge of the Committee on Church Property or a separate Committee on Cemetery, careful reference to the provisions of the Nonprofit Corporation Law regarding such property is imperative.

14. See Canon XVI, Section 1, of the 1943 Diocesan Canons.

15. It is extremely important that the Canons be consulted before the election of any clergyman to minister in the congregation. Particular reference is directed to the Canons of "Ministers and Their Duties" and of "The Filling of Vacant Cures." In the 1943 General Canons these are Canons 44 and 46.

16. The required vote may be made any proportion or a specific number, not less than a majority, as desired.

17. In many cases it may be desirable to provide for a budget subject to vestry approval and authorize expenditures by the Accounting Warden within the budget limits without further authorization from the vestry.

18. Refer particularly to the Canon "Of Business Methods and Church Affairs," Canon 6 of 1943 General Canons.

19. This should read "chairman of the meeting" in lieu of "judges of election" in case the alternative procedure under Sections 2 and 3 is adopted.

APPENDIX N

## Report of the Committee on Canons to the Convention of 1944

At the Convention of 1943 the Committee reported a Canon, proposed by a member of the Convention, which would bring about the election of members of the Standing Committee for terms of five years, instead of one; as at present, and also provided for their not being eligible for re-election after having served five years, until the expiration of one year. The Committee reported adversely as to the latter provision but favoring the main proposition. The said provision was voted down by the Convention, as was also the main proposition. However, the Committee on Canons is not convinced that the proposition received the considered judgment of the Convention last year, and ventures to recommend its reconsideration at the coming Convention because of what it believes to be its merits. Another reason for submitting it is that it became very evident at the last Convention, as it has at a number of preceding ones, that if the Convention is not going to meet for a longer period than one late afternoon and one day it is practically impossible to complete, especially in a Convention year, the number of elections that are called for. As there does not seem to be any likelihood of longer sessions the only remedy is to reduce the number of persons to be balloted for. If the proposed change in regard to the Standing Committee is adopted, ten men will be elected, as usual in 1945, but for varying lengths of service, and at the Convention of 1946, when we elect Deputies to the General Convention, there will be only two members of the Standing Committee to be elected, which will also facilitate a choice. Largely for this reason the Committee resubmits the proposition this year as its own proposal.

### Proposed Amendment to the Canon on The Standing Committee

Amend Canon IV, Sec. I, by repealing Sub-section 1 thereof, and substituting the two following Sub-sections therefor, and renumbering the following Sub-sections; so that Canon IV, Sec. I, shall begin as follows:

"CANON IV

"Of Committees and Commissions

*"The Standing Committee*

"Sec. I—The Standing Committee

"1. The Standing Committee of the Diocese shall consist of five Clergymen, canonically and actually resident in the Diocese, and five Lay Communicants, residents of the Diocese, chosen by ballot by the concurrent votes of the members of each Order.

"2. At the Annual Convention of 1945 there shall be elected for membership in the Standing Committee five Clergymen and five Laymen, of whom one of each Order shall be deemed elected to serve one year, one of each Order to serve two years, one of each Order to serve three years, one of each Order to serve four years, and one of each Order to serve five years. At their first meeting after the Convention of 1945 the elected members of the Standing Committee shall determine, by lot, the respective terms which they shall be considered to have been elected to serve. At each succeeding Annual Convention there shall be elected one Clergyman and one Layman to take the places of those whose terms shall then expire, to serve for five years.

"3. Vacancies in said Committee, whether due to deaths, removals from the Diocese, resignations, failure of the Convention to elect, or to any other cause, shall be filled by the concurrent vote of the remaining Clerical and Lay members, the member or members so elected to serve only until the next Annual Convention, when the Convention itself shall elect a person or persons to take the place of the former member or members for the unexpired terms, if any."

### The Election of General Convention Deputies

Last year, because of there being so many elections, the Convention was not able to complete the election of Lay Deputies to the General Convention in the manner provided

in the Canon on the subject, and finally authorized the President to declare elected those two men who received the highest combined vote of Clergy and Laity on the ballot taken just before the Convention adjourned. The President did so, but those two men were not validly elected. To prevent such an occurrence in the future the Committee on Canons presents a proposed amendment to the Canon which would make legal, in the future, a decision by both Orders to terminate the balloting after a number have been taken, by the adoption of some form of voting which will almost certainly result in a decision.

### Proposal to Amend the Canon On Election of Deputies to General Convention

Amend Canon XXI, providing for the election of Deputies to the General Convention, so that the first paragraph of Sub-section 1 of Sec. I shall read as follows:

"Sec. I—Deputies to the General Convention

"1. At the Annual Convention immediately preceding the regular meeting of the General Convention there shall be elected by the concurrent ballot of the Clerical and Lay Orders, four Clergymen who shall be canonically resident in the Diocese, and four Laymen who shall be communicants of the Church and domiciled in the Diocese, to be Deputies to the General Convention, whose tenure shall continue until others are elected in their places. But if, after three ballots have been completed in the above manner without the full number of Deputies having been elected, the necessary number may be elected by such method as the Convention, by the concurrent vote of both Orders, shall determine."

### Financial Safeguards

We have several times amended our Canon on Business Methods in Church Affairs to bring it into agreement with that of the General Convention, which is changed at every session of the latter. We present the form which the Department of Finance believes conforms with that of the General Convention and has a few additional useful features. It makes no radical alteration in the requirements already in effect.

Proposed substitute for Sec. I of Canon XVI:

"CANON XVI

"Of Business Methods in Church Affairs

"Sec. I—In Parishes and Church Congregations

"Every Parish and Mission, every institution within the bounds of this Diocese which is subject to the authority of the Diocese, and every agency declared by the Executive Council to be included hereunder, shall comply with the following requirements:

"1. Trust and permanent funds and all securities of whatsoever kind shall be placed in the custody of a National Bank, or a State Bank, Banking Institution or Trust Company, or other agency approved in writing by the Department of Finance, under a deed of trust, or under an agency agreement providing for at least two signatures on any order for the withdrawal of such funds or securities; or in trust with The Church Foundation. But these requirements shall not apply to securities or funds refused by such depositories as being too small for acceptance. Such securities and small funds shall be under the care of the persons or corporations properly responsible for them.

"2. Records shall be kept of all trust and permanent funds showing at least the following:

"(a) Source, amount and date of establishment.

"(b) Terms governing the use of principal and income.

"(c) To whom and how often reports of condition are to be made.

"(d) How the funds are invested.

"3. Treasurers and custodians, other than banking institutions, shall be adequately bonded, except treasurers of funds that do not exceed five hundred dollars at any one time during the fiscal year.

"4. Such books of account shall be kept as the Executive Council, through its Department of Finance, shall require.

"5. The accounts of the organizations named above shall be annually audited by a Certified Public Accountant, or by such accounting agency as shall be approved by the Department of

Finance of the Executive Council, which shall also prescribe the scope and character of the audit and shall require a copy of the report of the Auditor to be filed with the Department. The report may include findings and recommendations, which latter the Council may require to be followed. The Council may assume for the Diocese part or all of the expense of auditing if satisfied that the Parish, Mission, institution or agency cannot afford to pay all or part thereof.

"6. Every such organization shall make an annual financial report for the information of the Executive Council and of the members or subscribers to the organization. The scope and character of the report and the manner in which the information therein shall be made known to the members and subscribers shall be prescribed by the Department of Finance.

"7. Buildings and their contents shall be kept adequately insured, and the Executive Council may, from time to time, review the amounts of insurance carried, and if it finds the same to be inadequate may call upon the owners or users of the properties to increase the coverages.

"8. The Executive Council may require copies of any or all accounts called for in this Section to be filed with the Department of Finance."

In the same Canon, add a new Section to be known as:

"Sec. III—Regulating the Alienation or Encumbering of Real Property

"No Vestry, Trustee or Trustees, or any other body authorized by Civil or Canon Law to hold, manage or administer real property for any Parish, Mission, Congregation or Institution shall alienate or encumber the same or any part thereof, save for refinancing (without increasing) any existing encumbrance, except provided in Canon XII, Sections I and II. "

Sections III, IV and V to become IV, V and VI.

For present Section V of Canon XVI, substitute the following:

"Sec. VI. The Executive Council shall report annually to the Convention of the Diocese upon its administration of this Canon, and the expense of executing it shall be charged against the Convention and Diocesan Expense Account."

## The Corporation for Christian Work in Educational Institutions

The Corporation for Christian Work in Educational Institutions has had a somewhat checkered infancy! Owing largely to the removal from the Diocese of the most enthusiastic supporter of the enterprise, the Rev. Charles Martin, and the fact that the lawyer who was engaged to apply for the charter having been called into the service, the charter was not actually obtained until a week or so ago. Two years ago, on the advice of the lawyer then about to apply for the charter, and to provide for the filling of vacancies in the membership, the Canon was amended, requiring that the charter contain certain provisions. However, the lawyer who actually applied for the charter was not aware of the Canon and got a charter not entirely in accord with the Canon. The Committee does not regard the differences as of much importance, but neither Canon nor Charter provides for the Bishop being ex-officio a member of the Board, which is a serious oversight. With the view of curing this defect and, it is hoped, of disposing of this matter once and for all, the Committee submits for your consideration the amendment to the Canon proposed by Mr. Spencer Ervin.

Amendment to Canon XVIII, Sec. III, in regard to the Corporation for Christian Work in Educational Institutions, proposed by Spencer Ervin, Esq.:

Amend Sub-section 2, of Sec. III of Canon XVIII, by repealing the same and substituting therefor the following:

"2. The Charter or By-Laws shall provide that the Corporation shall have ten members, who shall also be Directors. The Bishop, acting ex-officio, shall be one member, and the other nine shall be elected by the Convention. At the Annual Convention of 1944 nine members shall be elected, of whom three shall be deemed to be elected for one year, three for two years and three for three years. At each succeeding Annual Convention the Convention shall elect three members to take the places of those whose terms shall then expire. Vacancies in the membership may be filled by the remaining members, those so elected to serve until the next Annual

Convention when the Convention shall elect a person or persons to take the place of the former member or members for the unexpired term.

"At their first meeting after the Annual Convention of 1944 the elected members shall divide themselves by lot into three classes, to serve until 1945, 1946 and 1947 respectively, and shall notify the Secretary of the Convention of the result for tabulation in the JOURNAL of 1944."

If the above Amendment is adopted, Mr. Ervin will propose a resolution requesting the Corporation to get its charter amended so as to bring it into line with the Canon.

## Report of the Diocesan War Commission

In a sense, the most significant thing about the Diocesan War Commission is its existence. The very fact that it is in being is an earnest that the Church recognizes the impact of the war upon all of its members, and that it is determined to serve and minister effectively to all those whose circumstances call for unusual means and methods. This includes, of course, the members of parishes who are in the various armed services, both within this country and throughout the world; it includes those in the armed services who are away from home and temporarily or semi-permanently within the confines of our Diocese; it includes the parents and families of all those in the services; it includes those in industry and other activities appertaining to the war effort which mean living away from home and in an unfamiliar and unusual environment; it includes in its scope the children whose fathers are away in the services or who are for various reasons subjected to unusual stresses and strains; it includes those whose thoughts and prayers are necessary to insure a just and durable peace.

How effectively all these elements are administered to is dependent largely upon the alertness and resourcefulness of each individual Parish. It also depends upon the means and ability of the National Army and Navy Commission having to do with the selection and equipment and support of Army and Navy Chaplains; it depends upon the willingness and the ability of the Diocese to undertake with the support of the parishes certain work which can best be done by the Diocese, such as, for instance, our St. Stephen's Service Center.

The undertaking and the opportunity are so much greater than any possible accomplishment that it is hardly worth while to cite small achievements. It will, perhaps, suffice to say that the War Commission has acted as the conduit through which the members of the Diocese have supported with time, thought, work and money the work of the National Army and Navy Commission and the work within the Diocese.

In terms of finances, this meant that last year the members of the Diocese contributed a total of $33,785.14, which was allocated $20,271.08 to the National Army and Navy Commission and $13,514.06 to the work within the Diocese.

Our minimum need this year is a total of $65,000, to be allocated $40,000 to the National Army and Navy Commission and $25,000 to the work within the Diocese. As of the date of writing this report, approximately 60% of the necessary sum has been given.

In terms of work beyond this Diocese, we refer the reader to the report of the General Convention of the Army and Navy Commission.

In terms of work within the Diocese, this means the support of the St. Stephen's Service Club; a start towards ministry in the defense housing areas; and numerous other studies and activities designed to make the Commission of effective help to the parishes and to lead to further ministries in useful directions. By way of example, we might cite that some of the questions the Commission is now working on are: More effective ministry to the women in the services who are stationed within this Diocese; possible further help to the 'teen age group and to the night shift workers.

The Commission maintains an office staffed by volunteers in the Church House and hopes that the Diocese will feel free at all times to call upon this office for help. The Commission is always glad to have suggestions from the members of the Diocese as to how its work can be made more effective.

In closing, the Commission also wishes to thank all those many Clergymen and Laymen who, in so many ways, have been understanding and tolerant of the shortcomings of the Commission, and who have themselves, many not without a good deal of personal sacrifice, taken part in the work and support of the Commission. The Commission would like to thank especially those who carried the very heavy responsibility of St. Stephen's. What this Center has meant to many boys away from home should be the subject of a special report. It is in many ways very touching and very humbling that so little means so much.

E. Felix Kloman,
*Secretary.*

## Report of the Committee on the Proposed Seal for the Diocese

The Committee reported to the Convention last year, which report and copies of letters exchanged with the Heralds College of England are to be found in the JOURNAL of 1943 on pages 330 to 332. Acknowledgment of the help of the late Mr. Charles Borie was then made, and further aid from him is now recorded which pointed out a mistake in the Shield of the Kingdom of Jerusalem, this having been copied from the Shield of another Diocese. Much praise must be given Mr. Francis A. Pocock for his untiring efforts and knowledge of the subject.

The proposed Seal has now been completed in final form to be presented to the College of Heralds in England for their approval as to its entire correctness. We feel that the proposed seal does that for which it should exist, "Answer all questions as to the origin and authority of the Protestant Episcopal Church."

The Cross of Jerusalem is center in the Shield of the Kingdom of Jerusalem and contains the first three Greek letters of the title Christ. This Shield is used as showing the origin of the Christian Church. Upon this Shield are superimposed the Shields of Canterbury, York, Peterborough, and Bath and Wells, whose Bishops consecrated William White to be the first Bishop of Pennsylvania. Above is placed The Mitre of an Anglican Bishop, used by each of these Bishops. The date of the founding of the Diocese, 1785, is used rather than the date of the first Services of the Anglican Church in Pennsylvania.

The Committee feels that action on the proposed Seal should be deferred until final action upon its entire correctness be taken by the College of Heralds. It therefore submits the following Resolution:

RESOLVED, That the Committee be continued until such time as it is possible to bring a report from the College of Heralds.

Respectfully submitted,

JAMES M. NIBLO,
*Chairman.*

APPENDIX U

## Report of the Corporation for Christian Work in Educational Institutions

Two developments took place during the past year which will enable the Corporation to carry out the responsibility assigned to it with much more effect, namely, the inclusion of funds for the work of the Corporation in the Diocesan Budget and the retention on a part-time basis of Rev. Gordon M. Jones for work on behalf of the Corporation with the various schools and colleges within the Diocese. Mr. Jones is enthusiastic about the opportunities which exist and is thoroughly well qualified for the work in hand.

The granting of the Charter for the Corporation has been subject to various legal delays. We are advised by the office of the Chancellor as of the date of filing this report that the Charter will be granted on Monday, April 17th.

As to the progress of the work itself, it is particularly gratifying to report that the work of the Episcopal Committee of the Christian Association of the University of Pennsylvania has been carried on with ever-increasing effectiveness. The Rev. Russell E. Francis is just completing his first six months as Student Pastor to the Episcopal students and is proving to be of great usefulness. The organization of the Christian Association has been changed somewhat to further enlist the support of all interested elements. Thomas B. K. Ringe, Esq., has completed a very useful term as Chairman of the Committee, and Philip Dechert, Esq., succeeds him in this position.

Interested groups have been formed at Temple University, where a Canterbury Club numbering some fifty members has been formed. An excellent start has been made at Hahnemann Medical School with a similar club of about twenty-five members, and at Ursinus with approximately twenty members.

Additional contacts have been made with other institutions and with the rectors of parishes in the several neighborhoods.

An excellent and helpful one-day conference of interested Clergymen and Laymen was held at Houston Hall last autumn.

We are now studying the method of most effective co-operation between the Corporation and the Church Society for College Work. The members of the Committee wish to thank the many Clergymen and Laymen within the Diocese who have given them courage and support in carrying on under difficult conditions work which represents an extraordinary opportunity and so badly needs doing in a much more adequate way than is possible with present resources and manpower. We are convinced that once the opportunity is made clear both the substance and the men will be forthcoming.

## REPORT OF A MEMBER OF THE COMMITTEE ON CLERGY PLACEMENT

Philadelphia, May 2, 1944.

The undersigned member of your Committee on Clergy Placement appointed by Bishop Taitt respectfully reports:

Since the founding of Christ Church, Philadelphia, in 1695; St. Paul's Church, Chester; St. David's Church, Radnor; St. James' Church, Bristol; St. Peter's Church, Philadelphia, and other Colonial Congregations of the Church of England, self-supporting and self-governing Congregations in Pennsylvania have possessed the right to nominate and elect duly qualified Clergymen of their own choice to be their Rectors or Ministers. This right, like the right to control and dispose of their

own property, is an inherent right, and is not derived from the Diocesan or General Convention.

By the Revolution these congregations became independent of the civil and ecclesiastical jurisdiction in England.

When on May 24, 1785, by an Act of Association, the independent congregations associated themselves together for certain specified purposes into an unincorporated association under the name of THE PROTESTANT EPISCOPAL CHURCH IN THE STATE OF PENNSYLVANIA, they provided that the acts and proceedings of the Convention shall be consistent with the Fundamental Principles, one of which was "That no Powers be delegated to a general ecclesiastical government except such as cannot conveniently be exercised by the Clergy and Laity in their respective Congregations."

These rights are further secured to the Parishes by their Charters of Incorporation or articles of association.

It is therefore obvious that should the Diocese and Convention create by Canon a Diocesan Committee on Clergy Placement, there should be no mandatory provisions in conflict with the inherent rights of the Parishes and their corporate powers under their charters, but that the duties of the Committee should be limited to ascertaining facts in regard to Clergymen and making suggestions to Vestries requesting them.

As was stated in a previous report your Committee was awaiting the Report of the Special Committee of the General Convention upon this important subject to be presented at the 1943 General Convention. The Committee made no report and members of your Committee have asked to be relieved so that Bishop Hart may make the appointment of the Committee if it is to be continued.

Respectfully submitted,

GEORGE B. HAWKES.
